02/21/2024	38	CLERK'S NOTICE RE HYBRID SETTLEMENT CONFERENCE: Hybrid seems overly complicated, and the entire settlement conference will be by Zoom unless by 2/22/2024 at noon, the parties file a joint statement saying why at least partial in-person helps. If there is one risk manager who appears remotely, that works fine with hybrid. But if too many people on different sides want to be remote, any utility to in-person usually evaporates based on the extra work for the court to try to make hybrid work. 03/09/2024		Set/Reset Hearing Settlement Conference set for 3/27/2024 02:00 PM.  This FOIA settlement conference, which was staged to allow full briefing, was set for 11:00 a.m., a time that follows the the court's criminal duty calendar. For case-management reasons that attends the court's docket, the start time has to be advanced to 2:00 p.m. (and might be as late as 2:15 pm). That creates some issues about East Coast participation. The court resets the start time to 2 p.m. and, if the federal government on the East Coast cannot accommodate that, they can ask the trial judge for an extension for a time frame that works for them, after talking with the plaintiffs.
