Office of Logistics

Joel Soloman
Administrator
General Services Administration

Mr. Soloman was introduced to and briefed by the DDA on 17 May 1977. Contact with Mr. Soloman has been established to discuss highest executive-level policy with regard to GSA federal role in provision, alteration, and disposal of real property, personal property, telecommunications, and automated data processing equipment services.

Lester A. Fettig
Administrator for Federal
Procurement Policy
Office of Management and
Budget

Mr. Fettig has been newly confirmed. OL will establish liaison and brief him on the Agency's relationship with OMB. OFPP is concerned solely with federal procurement matters. The Director of Logistics, as senior contracting officer for CIA, is the logical interface and liaison for that office.
