To whom it may concern,

This is a request under The Freedom of Information Act by The War Horse, a nonprofit newsroom covering military and veterans' issues. (EIN: 82-1669255)

On June 26, 2024, President Biden stated that "thousands" of LGBTQ veterans could benefit from his pardons of service members convicted under former Article 125 of the UCMJ.

Many media outlets, including CBS, CNN, and *The New York Times*, reported that the act of clemency would impact 2,000 people.

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request any lists, memos, reports, or other records informing the estimated number of individuals to whom these pardons apply.

As a representative of The War Horse, a full-time newsroom dedicated to covering military and veterans' issues, I ask that any and all fees and other charges be waived as this request is in the public interest. This request is not intended for commercial use.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I prefer electronic files and correspondence when available.

Thank you for your time,

Anne Marshall-Chalmers
