Subject: RE: FOIA request for Department of Justice records

Good Afternoon,

Thank you for your inquiry. This is not the proper place to submit a FOIA request. To the extent that you are seeking records from another component of the Department of Justice, please be advised that the Department has a decentralized system for processing FOIA requests and each component maintains and handles FOIA requests for its own records. Accordingly, you need to direct your letter to the Department component(s) you believe have records pertaining to the subject of your request.

Additional information regarding the Department's administration of the FOIA, including a listing of Department of Justice components, the types of records each maintains, and their FOIA contact information, is available at www.justice.gov/oip/foia-request.html.

You may also find this information at FOIA.gov [<https://www.foia.gov/?id=0f2d33d4-234a-45a1-9655-8f482af498d8&type=agency#agency-search>]. Please know that you may submit a FOIA request on each component office's page by clicking on "Continue the FOIA request process" or, if that option is not listed, by looking for that component's "online submission form" link, typically located toward the top of the page.

Sincerely,
National FOIA Portal Team
