RE: American Oversight Public Records Request

To whom it may concern:

My office received a records request on August 21, 2024, for 1) “all email communications” between the Jury Commissioner, or anyone on behalf of, and the Mohave County Recorder’s Office, and 2) “all email communications” with designated key terms.

While the request referenced Arizona Public Records Law, A.R.S. §§ 39-121 et seq., the Arizona Courts are subject to Arizona Rules of the Supreme Court 123 Access to Judicial Records of the State of Arizona.

Although juror records are confidential under rule 123 (e) 10 of the Arizona Rules of the Supreme Court and can’t be provided, the other responsive documents will be provided with the appropriate redactions.

If you have any further requests, please do not hesitate to contact us.

Respectfully,

C. Spurlock

Christina Spurlock
Clerk of Superior Court

I am so sorry, we got a little behind sending you our spreadsheet for the returned summons we receive in our jury mail. The attached should cover everything since one was last sent in April of this year. Moving forward, we will send it to you at the beginning of each month!

Good morning!

As I am about to send you our spreadsheet for November, Christina mentioned she thought she remembered a conversation that the recorder's office may want the actual physical returned mail from the jurors. Is that something your office wants? If so, I have boxes and boxes of it. If not, I have big plans of sending it to shredding tomorrow

You don't often get email from mvigil@courts.az.gov. [Learn why this is important](#)

So it's probably even worse than I thought. I can run a report like what I have attached for any date range, and then we can begin sending it to you around the beginning of each month for the previous month like we used to (and I will make sure you are included on all the NC/NR reports we sent to the SOS).

What date range would you like me to send?

Megan,

I am not finding any felon reports in my email or the voter registration email, so we must not have received them for a while. From memory, I only recall receiving the NC/NR report and undeliverable jury notice reports.

Good morning ladies!

We had some turnover in our jury dept at the end of last year, and I have a horrible gut feeling we haven't been sending you our list of disqualified felony jurors. Would you be able to tell me the last time you received a list from us?

Thanks,
