Dear MOD,

SEPA has received the following request for information under the Environmental Information (Scotland) Regulations 2004 (EIRs):

Following Sepa's response today to my original request F0195732 on 10 October 2019, as below, please could Sepa provide correspondence, emails, memos, reports and any other unpublished information relating to any environmental issues with radioactivity at HMNB Clyde at Faslane and Coulport near Helensburgh since then? Please note I am not interested in personal information, duplicate information or purely administrative information.

I would prefer the information in an electronic format, if possible. If the information is voluminous or otherwise too expensive to extract, I would be happy to discuss ways of reducing the cost

### Clarification

I can confirm that the date range for the requested records is 10 October 2019 – 01 May 2024.
