

Friend, we should have never let Ilhan Omar into our country. And frankly, America would be a much better place if she were to be sent back to Somalia.

**SIGN THE PETITION - DEPORT ILHAN OMAR**

Recently, it came out that Ilhan ***Omar is hosting free workshops*** for Somalians, who are in our country illegally, ***on how to evade ICE and deportation.***

It could not be more blatant: ***Ilhan Omar is more loyal to illegal Somalians than she is to the United States, or the office she was elected to.***

***It is an absolute disgrace.***

**SIGN THE PETITION - DEPORT ILHAN OMAR**

A sitting Member of Congress is facilitating a full-scale invasion of our country...

A normal society would refer to that as **treason**...

But regardless of labels, one thing is clear:

[The time has come to arrest and deport Ilhan Omar.](#)

**SIGN THE PETITION - DEPORT ILHAN OMAR**

I have had my fill of **foreigners storming our border**, complaining about and disparaging our country, and then helping more and more of them invade our lands... And I know the American people are too.

[If you're as sick and tired of it as I am, sign my petition and let's send her back to Somalia where she belongs.](#)

Yours Sincerely,

**Rep. Brandon Gill**
