

ATTACHMENT

"In preparing your response to this request, you should determine whether your company maintains the following types of information which may be considered by you to be an electronic communication transactional record in accordance with Title 18, United States Code, Section 2709:

- DSL account information
- Radius log
- Subscriber name and related subscriber information
- Account number
- Date the account opened or closed
- Addresses associated with the account
- Subscriber day/evening telephone numbers
- Screen names or other on-line names associated with the account
- Order forms
- Records relating to merchandise orders/shipping information for the last 180 days
- All billing related to account
- Internet service provider (ISP)
- All e-mail addresses associated with account
- Internet Protocol (IP) address assigned to the account
- All website information registered to the account
- Uniform resource locator (URL) address assigned to the account
- Any other information which you consider to be an electronic communication transactional record

We are not requesting, and you should not provide, information pursuant to this request that would disclose the content of any electronic communication as defined in Title 18, United States Code, Section 2510(8)."
