Re: Contract J-FBI-09-211 "Landshark" Restricted Software Request
Approval – San Jose Police Department

Dear Ms. Wheeler:

The Federal Bureau of Investigation (FBI) has an approved non-disclosure agreement (NDA) in place with the captioned law enforcement agency. In accordance with the cited restricted software agreement and the April 6, 2010 agreement between the FBI and the Harris Corporation, your notification to the FBI of the agency's intent to purchase, and our execution of the NDA, meets the FBI's advance coordination requirement. Therefore, the Harris Corporation is permitted to sell the state-and-local version of the Stingray product with the restricted software to the San Jose Police Department.

If there are any questions, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Bradley S. Morrison".
