Re: Docket No. 10469, Judge Colin

Dear Mr. Kasman:

The members of the Judicial Qualifications Commission met on Thursday, March 10, 2011 and considered your complaint in the above matter. After full investigation and consideration of your complaint, the Commission has requested that I advise you that it has taken appropriate action on same. Due to the confidentiality of Commission proceedings mandated by Article V, Section 12 of the Florida Constitution, the Commission is prohibited from informing you of the specific results of its investigation made pursuant to your complaint since the matter did not result in a "probable cause" finding by the Commission. However, you may be assured that the Commission has performed its constitutional responsibility with regard to your concerns.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Michael L. Schneider".
