Ben,
Attached are the records you requested in writing from the City Clerk. Apologies for the delay. The Clerk's Office forwarded your request to an incorrect department with no instructions, so that department mistakenly assumed it was an FYI. The follow-up phone call today got it to the right place, i.e., me. It's 3 separate files – one for School Department, one for City and for Quincy College, which is a municipal department. It's broken out by name, title, department, regular pay, overtime and gross.
Best,
Chris Walker
