**RE: FOIA/PRIVACY APPEAL, DENIAL OF RECORDS
PURSUANT TO 5 USC 552(a) (6); 5 USC 552a**

Dear Sir/Madam,

This is an appeal from denial of records by the Drug Enforcement Administration, FOI/Records Management Section, as noted in the attached request and for the following reasons and facts:

1. On December 4, 2014, I mailed a request for records to the FOI/Records Management Section of the Drug Enforcement Administration. A copy of that request is attached to this appeal on page 2. On December 23, 2014, the FOI/Records Management Section of the Drug Enforcement Administration received my request for records. A copy of that Letter Response by the Drug Enforcement Administration is attached to this appeal on page 3-7. On February 12, 2015, I mailed a reformulated request for records to the FOI/Records Management Section of the Drug Enforcement Administration. A copy of that request is attached to this appeal on page 8-9. On April 1, 2015, the FOI/Records Management Section of the Drug Enforcement Administration received my request for records and disclosed a Report Of Investigation. A copy of that Letter Response by the Drug Enforcement Administration disclosing a Report Of Investigation is attached to this appeal on page 10-15.

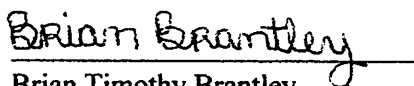

2. The Drug Enforcement Administration had failed to comply with the provisions of the Freedom of Information Act/Privacy Act regarding release of records.

3. The Drug Enforcement Administration has withheld all reasonably segregable information in the "Detail" section of Report Of Investigation. The Freedom Of Information Act allows the redaction of the names and signatures of law enforcement personnel and informants. The Freedom Of Information Act does not allow the redaction of all reasonably segregable information.

Therefore, and for the above reasons and facts, it is evident that the Drug Enforcement Administration has denied me access to records and documents to which I am entitled under the statutes. This appeal is being submitted in a good faith attempt to obtain compliance by the Drug Enforcement Administration to the statutory provisions of the FOIA/PA regarding disclosure and to avoid the costs of litigation.

Please instruct the Drug Enforcement Administration , FOI/Records Management Section to furnish all reasonably segregable information in the "Detail" section of Report Of Information record as requested pursuant to my Freedom Of Information Act request. I would also appreciate your compliance with Section 552 (a) (6) (A) ((ii) regarding the response time to this appeal.

Respectfully submitted,

Brian Timothy Brantley

Subject: BRANTLEY, BRIAN TIMOTHY (STATEMENTS MADE TO CO-CONSPIRATORS –
CASE NO. 2:99-71 CR-FTM-26D)

Brian Timothy Brantley
2190 Sunshine Boulevard
Naples, Florida 34116

Dear Mr. Brantley:

This letter is in further response to your Freedom of Information/Privacy Act (FOI/PA) request dated December 4, 2014, addressed to the Drug Enforcement Administration (DEA), Freedom of Information/Privacy Act Unit (SARF), received on December 23, 2014, seeking access to information regarding the above subject, and the DEA letter dated January 2, 2015. After reviewed of your request and inquiries made of DEA information systems your request is denied for the reason outlined below.

In your letter you stated that you were requesting “all statements made by me to co-conspirators concerning myself on case number 2:99-71-CR-FtM-26D.” Upon review, it has been determined that your letter is not a proper request. A proper request is one that meets the requirements of the FOIA, 5 U.S.C. § 552 (a)(3)(A). Your request fails to reasonably describe records and is not filed in accordance with Agency Rules, including a promise to pay. First, under the Department of Justice (DOJ) Agency Rules, if you are making a request for records about yourself, you must verify your identity by clearly stating you are the person making this request for information about yourself.

Second, your letter was interpreted as a request for investigative information related to unspecified third-parties. If any investigative records related to any of the unspecified third-parties exist, the information would be maintained in the DEA Investigative Reporting and Filing System (IRFS). The DEA Narcotics and Dangerous Drugs Information System (NADDIS) is predominately an internal search application and data base which serves as the index to and the practical means by which DEA retrieves investigative reports and information from IRFS. IRFS is a Privacy Act system of records that is exempt from access.

Before DEA can make any representation regarding the existence of records or provide any information related to any third-party, it will be necessary for you to provide either proof of death or an original notarized authorization (privacy waiver) from any third-party to which you refer. Two (2) forms are enclosed to assist you with meeting this requirement. Proof of death can be a copy of a notarized death certificate, obituary, or a recognized reference source. Waivers of personal privacy must be notarized, must specifically identify the person waiving privacy, including full name, date and place of birth, social security number and present address, and must be specifically directed to the DEA. The waiver must be dated within a reasonable time period preceding the request, and the original copy of the waiver must be provided to DEA. Once a copy of the proof of death or an original notarized authorization is provided, we will commence the processing of your request.

In addition, DOJ rules, contained at 28 C.F.R. § 16.3(b), and 16.41 (b), provide that you must describe the records you seek in enough detail to enable Department personnel to locate them with a reasonable amount of effort and, whenever possible, your request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter of the record. Be advised that DEA does not index, maintain or retrieve investigative records by reference to criminal case or court docket number. Our investigative records are maintained and retrieved by investigative file references or file numbers assigned by this Agency. Thus, the criminal number you provided is of use in locating investigative file in which records responsive to your request could be located.

By this letter, you are afforded the opportunity to reformulate your request. It is presumed that the records you seek would be maintain in the DEA Investigative Reporting, and Filing System (IRFS). IRFS is the system of records that contains all administrative, general and investigative files compiled by DEA for law enforcement purposes. DEA retrieves investigative information about an individual, an operation or company from the IRFS using the DEA Narcotics and Dangerous Drug Information System (NADDIS). Individuals are indexed, identified, and retrieved through NADDIS using their name, Social Security Number, and/or date of birth. Thus, you must provide sufficient information regarding any individual about whom you seek records. The rules and regulations of the Drug Enforcement Administration applicable to Freedom of Information Act requests are contained in the Code of Federal Regulations, Title 28, Part 16, as amended. They are published in the Federal Register and are available for inspection by members of the public.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

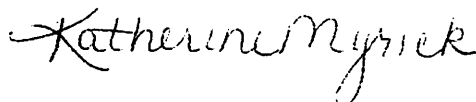

Case Number: 15-00162-P

If you are not satisfied with the response to this request, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through OIP's eFOIA portal at <http://www.justice.gov/oip/efoia-portal.html>. Your appeal must be received within sixty (60) days from the date of this letter. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Dear Mr. Brantley:

This letter responds to your Freedom of Information/Privacy Act (FOI/PA) requests dated December 04, 2014 and your Reformulation letter dated February 20, 2015, addressed to the Drug Enforcement Administration (DEA), Freedom of Information/Privacy Act Unit (SARF), seeking access to information regarding the above subject.

After reviewing your request as constituted we conducted a preliminary query for responsive records pertaining to the above subject of your request. To search for responsive records, we queried the DEA Investigative Reporting, and Filing System (IRFS). IRFS is the system of records that contains all administrative, general and investigative files compiled by DEA for law enforcement purposes. DEA retrieves investigative information about an individual, an operation or company from the IRFS using the DEA Narcotics and Dangerous Drug Information System (NADDIS). Individuals are indexed, identified, and retrieved through NADDIS using their name, Social Security Number, and/or date of birth. As a result of our search, responsive records were located.

The processing of your request identified certain materials that will be released to you. Portions not released are being withheld pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and/or the Privacy Act, 5 U.S.C. § 552a. Please refer to the list enclosed with this letter that identifies the authority for withholding the deleted material, which is indicated by a mark appearing in the block next to the exemption. An additional enclosure with this letter explains these exemptions in more detail.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

Case Number: 15-00162-P

If you are not satisfied with the response to this request, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through OIP's eFOIA portal at <http://www.justice.gov/oip/efoia-portal.html>. Your appeal must be received within sixty (60) days from the date of this letter. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."
