A Thaoisigh,

It is with the deepest regret that in accordance with Article 28.9.2 of the Constitution, I wish to formally tender my resignation as Minister for Defence with effect from today.

I have at all times acted in the interests of the Government and of the people I have been honoured to represent. It is my belief that I have always acted honourably and in good faith in the conduct of my duties as a Minister. While I resolutely refute all the accusations made against me in recent days, I have come to the regrettable conclusion that my continuing in office will only serve to distract from the important and vital work of Government in addressing the serious challenges that the country continues to face at this time.

I was privileged to serve in Government over the past five and a half years. I believe my record as a Minister has been to the benefit of the Defence Forces and the Government.

Yours sincerely,

WILLIE O'DEA T.D.

Dear Willie,

It is with sincere regret that I received your letter of resignation as Minister for Defence which I will now submit to the President in accordance with the Constitution.

On the basis of our conversation, I very much appreciate that your decision reflects your own desire to ensure that the important work of Government is not diverted by the current controversy.

I want to thank you for your hard work and commitment in carrying out your duties as Minister. I believe that you have made a significant contribution to the Governments in which you have served and have shown great skill in overseeing the modernisation of the Defence Forces.

I look forward to continuing to work with you in Dail Eireann.

Yours sincerely,

Brian Cowen T.D.
Taoiseach
