31 a sound, basic education or has demonstrated consistent and substantial  
32 growth towards providing a sound, basic education in the prior three school  
33 years, or is a contractual affiliate of such an entity.

49 schools impacts the achievement school, the AS operator may appeal to the ASD  
50 Superintendent and request a hearing before the State Board of Education regarding the  
51 reassignment. Notwithstanding G.S. 115C-366, the State Board of Education shall, after

1 hearing from both the local board of education and AS operator, determine whether the

12 in dispute.

14 related to the operation of the achievement school. The local board of  
15 education, with the consent of the AS operator, may allow use of the facility  
16 by governmental, charitable, civic, or other organizations for activities  
17 within the community, and may retain any funds received for such use.

18 For the purposes of this subsection, facility and capital expenditures includes routine

31 If a AS operator elects to use a memorandum of understanding for alternate arrangements,  
32 the AS operator and local board of education shall finalize the memorandum of understanding  
33 within 30 days of the initial request by the AS operator. If the parties have not completed the  
34 memorandum of understanding within 30 days, the State Board of Education shall resolve any  
35 issues in dispute.

45 shall be permitted to examine personnel files of existing staff members for the qualifying  
46 school. The AS operator shall have the authority to decide whether any administrator, teacher,  
47 or staff member previously assigned to a qualifying school selected to become an achievement

6 be deemed a reorganization of the local school administration unit resulting in a reduction in  
7 force. If an employee is not given the option to continue as an employee for the achievement  
8 school, the local board of education may, in its discretion, do any of the following:

(a) An achievement school shall remain under the supervision of the ASD for a minimum of five consecutive years through a contract with an AS operator. The following shall apply to the term of a contract with an AS operator of an achievement school:

- (1) Early Termination of Contract Based on Performance. – If during the five-year contract, the achievement school's annual percentage growth does not exceed the average annual percentage growth of other qualifying schools for three consecutive years, the State Board of Education, upon the recommendation of the ASD Superintendent, may terminate the contract at the conclusion of the academic year and select another AS operator in accordance with G.S. 115C-75.8 to assume the remainder of the five-year contract and any occupancy agreements or memorandums of understanding with the local board of education at the beginning of the next academic year.
- (2) Closure of Achievement School Based on Performance. – If by the end of the five-year contract, the achievement school's average annual percentage growth during the term of the contract does not exceed the average annual percentage growth of other qualifying schools during the same term, the State Board of Education shall close the achievement school and develop a transition plan to return the school to the local school administrative unit.
- (3) State Board Optional Extension of Contract for Three Years. – If by the end of the five-year contract, the achievement school remains a qualifying school, but has exceeded the average annual percentage growth of other qualifying schools, the State Board of Education, upon the recommendation of the ASD Superintendent in his or her discretion, may continue the contract with the AS operator for an additional three-year term. The ASD Superintendent and AS operator shall engage the school, the school community, and the school's local board of education in developing a transition plan for the school to leave the supervision of the ASD at the conclusion of the three-year extension of the contract. Options at the conclusion of the contract shall include the following:
  - a. Conversion to Charter. – If, in the development of the transition plan, a local board of education indicates by resolution to the State Board of Education that the local board elects to not receive the transfer of the achievement school back to the local school administrative unit, the AS operator may apply to convert the school to a charter school under Article 14A of this Chapter. If a charter is awarded, the charter board of directors may request to use the facility as provided in

- 1 G.S. 115C-218.35. If the AS operator does not seek conversion to a  
2 charter school or fails to receive a charter, the State Board may close  
3 the school as provided in subdivision (2) of this subsection.
- 4 b. Alternate AS Operator or Return to Local School Administrative  
5 Unit. -- If the AS operator does not elect to continue the contract, the  
6 State Board may select another AS operator for a three-year contract  
7 or may develop a transition plan to return the school to the local  
8 school administrative unit for the next school year.
- 9 (6) Termination of Contract on Other Grounds. -- The State Board of Education,  
10 upon the recommendation of the ASD Superintendent, may terminate a  
11 contract with an AS operator at any time during the contract for financial  
12 mismanagement, noncompliance with federal or State laws, failure to  
13 comply with the terms of the contract, or evidence of criminal activity. The  
14 State Board of Education shall develop a transition plan to return the school  
15 to the local school administrative unit.
- 16 (b) An achievement school shall remain under the supervision of the ASD for no more  
17 than eight years.
- 18 (c) The State Board of Education shall make all decisions related to contracts for AS

22 School District on any schools identified under this section as qualifying schools as defined in  
23 G.S. 115C-75.5 for consideration to be selected as achievement schools in accordance with  
24 Article 7A of this Chapter."
- 25 SECTION 3. G.S. 115C-105.37B(a) reads as rewritten:
- 26 "(a) Notwithstanding any other provision of this ~~Article~~, Article or Article 7A of this  
27 Chapter, the State Board of Education is authorized to approve a local board of education's  
28 request to reform any school in its administrative unit which the State Board of Education has  
29 identified as (i) one of the continually low-performing schools in North ~~Carolina~~-Carolina or  
30 (ii) as a qualifying school that is not selected as an achievement school under G.S. 115C-75.7.
- 31 If the State Board of Education approves a local board of education's request to reform a  
32 school, the State Board of Education may authorize the local board of education to adopt one of  
33 the following models in accordance with State Board of Education requirements:
- 34 (1) Transformation model, which would address the following four specific  
35 areas critical to transforming a continually low-performing school:  
36 a. Developing and increasing teacher and school leader effectiveness.  
37 b. Comprehensive instructional reform strategies.  
38 c. Increasing learning time and creating community-oriented schools.  
39 d. Providing operational flexibility and sustained support.
- 40 (2) Restart model, in which the State Board of Education would authorize the  
41 local board of education to operate the school with the same exemptions  
42 from statutes and rules as a charter school authorized under Article 14A of  
43 this Chapter, or under the management of an educational management  
44 organization that has been selected through a rigorous review process. A  
45 school operated under this subdivision remains under the control of the local  
46 board of education, and employees assigned to the school are employees of  
47 the local school administrative unit with the protections provided by Part 3  
48 of Article 22 of this Chapter.
- 49 (3) Turnaround model, which would involve, among other actions, replacing the  
50 principal, if the principal has been in that position for at least three years,  
51 and rehiring no more than fifty percent (50%) of the school's staff, adopting

- 1 a new governance structure at the school consistent with this Article, and  
2 implementing an instructional program aligned with the Standard Course of  
3 Study.
- 4 (4) School closure model, in which a local school administrative unit would  
5 close the school consistent with G.S. 115C-72 and enroll the students who  
6 attended the school in other, higher-achieving schools in the local school  
7 administrative unit consistent with Article 25 of this Chapter.
- 8 (5) Principal Turnaround model, which would require the following:
- 9 a. Replacing the current principal with a turnaround principal. The local  
10 board of education, after consultation with the Superintendent of the  
11 Achievement School District, shall select an individual with a proven  
12 record of success as a principal or superintendent as a turnaround  
13 principal. The local board of education's selection shall be approved  
14 by the State Board of Education to serve as a turnaround principal.
- 15 b. Notwithstanding G.S. 115C-287.1, hiring the turnaround principal on  
16 a five year contract that shall include significant compensation and  
17 other incentives, as determined by the local board of education. The  
18 turnaround principal shall be required as a term of the contract to  
19 develop a written plan with clear goals for dramatically improving  
20 student achievement at the school, including empowering and  
21 equipping teachers and school leaders to meet the goals, and holding  
22 such teachers and school leaders accountable to meet the goals.
- 23 c. The local board of education shall consider all recommendations of  
24 the turnaround principal with regard to personnel assigned to the  
25 school, and shall, to the extent possible, implement those  
26 recommendations.
- 27 d. Annually reporting by the turnaround principal on the principal's  
28 methods and the school's progress and performance to the local board  
29 of education. The turnaround principal's report shall be provided to  
30 the State Board of Education.
