One thing is for sure, our next president took the stage at last night's GOP debate and, let me tell you, fireworks flew!

SarahPAC has stood with many of the candidates on the stage, and we will support the eventual nominee, but that is not enough. We need to ensure that our next president has allies in the House and Senate! [Chip in \\$25 today to help us stack Congress with true Conservatives.](#)

SarahPAC is here to fight for our conservative leaders, and send more men and women with strong values to Congress! [Click here to join the fight!](#)

**SarahPAC is proven, tried, and tested.** We find Conservative leaders who refuse to back down, leaders who will proudly carry the torch of freedom. When you donate to SarahPAC, you are joining an alliance fighting to bring real leadership to our government!
