Re: **FEMA Appeal 2016-FEAP-00006**

Dear Mr. Wertz:

The Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA), Records Management Division has received your appeal of Freedom of Information Act (FOIA) FEMA **2016-FEFO-00190**. We acknowledge receipt of your January 8, 2016 appeal and assigned reference number FEMA **2016-FEAP-00006** for tracking purposes. Please reference this number in any future communications regarding your appeal. Your appeal was received in this office on February 18, 2016. You sought a copy of any memos, reports, studies, analyses, maps, presentations, correspondence or other records concerning earthquakes near the oil storage facility in Cushing, Oklahoma from November 1, 2011 to the date that this request is officially processed.

To check the status of your FOIA requests you may use the online check status capability at <http://www.dhs.gov/foia-status>. Simply enter your request number and click the "Check Status" button. More information concerning the FOIA and implementing DHS regulations is available online at: www.dhs.gov/xfoia/editorial_0318.shtm.

A high number of FOIA requests to FEMA have resulted in an appeal backlog. While we will make every effort to process your appeal on a timely basis, there may be some delay in resolving this matter. If you need to contact our office concerning this request, please call (202) 646-3323 or electronically at FEMA-FOIA@fema.dhs.gov.

Sincerely,
