

On April, 04, 2012. FCM [REDACTED] completed an interview with [REDACTED]. [REDACTED] stated that she was a supervisor at the Praise Fellowship Assembly of God Day Care. [REDACTED] stated that when she cared for the children, it was mainly the 4 and 5 year olds. [REDACTED] stated that she opened up the day care at 6 AM on the day of the incident. [REDACTED] does not remember Juan Carlos arriving that day. [REDACTED] stated that the last time she saw him was around 11:30 AM. He was getting his diaper changed by [REDACTED] in the bathroom. [REDACTED] stated that on that day the parents dropped off the children in the cafeteria. Around 10 AM the children went to their own classrooms. Around 12 the children went back and ate lunch. [REDACTED] stated that Juan Carlos normally slept in the nursery. [REDACTED] stated that there was no system to know where each child was supposed to be and which staff member they were supposed to be with. [REDACTED] stated that the staff members should just know which children they should be watching. [REDACTED] stated there is no way for the little children to open the door to the sanctuary. [REDACTED] stated that she did not notice if Juan Carlos favored any older children. [REDACTED] stated that when the parents arrive with their children, they swipe a card and sign in the children. [REDACTED] stated that the police department has the sign in sheet for that day. [REDACTED] stated that Juan Carlos smiled a lot. [REDACTED] stated that she cannot remember if Juan took off from the adults.

[REDACTED] stated that she was employed by the Praise Fellowship Assembly of God
