

REPUBLICAN NATIONAL COMMITTEE

Reince Priebus, Chairman

Monday Morning

Ms. Janet E. Reiman
[REDACTED]

Dear Ms. Reiman,

This **NOTICE OF DELINQUENCY** has been sent to you because the Republican Party has contacted you multiple times to ask for your support of our 2016 campaign...

...But we have not heard back from you and time is running out.

We need you to come forward today and send a contribution of \$25 or more to help make sure we have a fully funded Republican National Committee (RNC) ready for our Nominee to walk into and hit the ground running after our National Convention in July.

I realize it has been hard to look past the battle for the Republican Presidential Nomination. But by the end of March, 36 primaries and caucuses will have been held and we should have a good idea of who the Republican Presidential Nominee will be.

Your first choice may not win the Nomination, but all of our Republican candidates support repealing ObamaCare, undoing Obama's executive orders on immigration, enforcing our immigration laws, and throwing out the Obama-Clinton-Kerry foreign policy of apology and appeasement.

Remember that the only way we are going to end Obama's liberal legacy, and put our nation back on track, is to elect a President to work with our Majorities in Congress.

And the RNC is the **ONLY** national Republican organization permitted by law to provide substantial, direct financial support to our Republican Presidential Nominee.

Ms. Reiman, the stakes are incredibly high. We must prepare now.

Democrats Hillary Clinton and Bernie Sanders are both pledging to expand the failed, left-wing policies of Barack Obama. I know you don't want to see one of them become president and effectively serve Barack Obama's third term.

Don't sit on the sidelines until the last minute. Please send your contribution of \$25 or more in the pre-addressed envelope provided immediately. Thank you.

Sincerely,

Reince Priebus
Chairman, Republican National Committee
