His Excellency Dato' Sri Mohd Najib bin Tun Haji Abdul Razak

Your Excellency,

### RECOGNITION OF SIGNIFICANT CONTRIBUTION TO THE ISLAMIC WORLD

I hope this letter finds you in good health.

Further to my letter dated 1 February 2011, I have been following your work recently and I am impressed with the significant work that you have done to govern Malaysia using Islamic principles and how you are reintroducing Islam to the rest of the world in view of the current perception that many people have since 9/11. Your suggestion to launch the Global Movement of the Moderates shows a modern way of dealing with issues on international terrorism and extremist groups.

In view of the friendship that we have developed over the years and your new ideas as a modern Islamic leader, in addition to my earlier commitment, I hereby grant you an additional sum of up to United States Dollars Three Hundred and Seventy Five Million (USD375,000,000) Only ("Gift") which shall be remitted to you at such times and in such manner as I deem fit either directly from my personal bank account or through my instructed company bank accounts (such as Blackstone Asia Real Estate Partners Limited). You shall have absolute discretion to determine how the Gift shall be utilised and I am confident that your actions will continue to promote Islam so it continues to flourish. This is merely a token gesture on my part but it is my way of contributing to the development of Islam to the world.

This letter is issued as a gesture of good faith and for clarification, I do not expect to receive any personal benefit whether directly or indirectly as a result of the Gift. The Gift should not in any event be construed as an act of corruption since this is against the practice of Islam and I personally do not encourage such practices in any manner whatsoever. This is merely a personal token of appreciation and I am hoping that the Gift would encourage you to continue with your good work to promote Islam around the world.

Thank you.

Respectfully yours,

HRH Prince Saud Abdulaziz Al-Saud
