confessed to _____ admitting to the below facts. was found to have committed the below acts, resulting from my (described) investigation.

On the **18** day of **March**, **2016** at **09:25** (Specifically include facts constituting cause for arrest.)

On Friday, March 11th, 2016, Michelle Fields, DOB [Redacted] came to the Jupiter Police Department to report a battery that had occurred on Tuesday, March 8th, 2016.

I interviewed Fields about the incident, which she stated took place during a Donald Trump rally speech at Trump National Golf Club, located at 115 Eagle Terrace, Jupiter, Palm Beach County, FL. Fields was present for the Trump speech as she was a reporter for "Breitbart" news network.

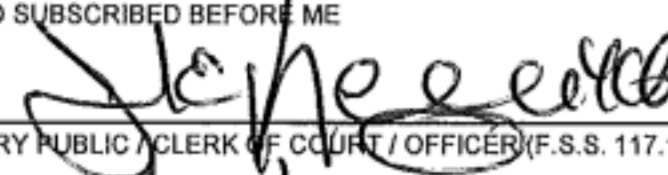

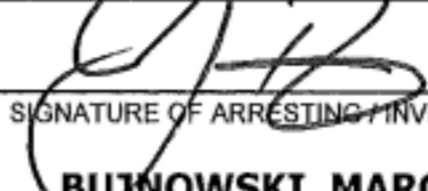

Fields indicated that Donald Trump had given a speech at Trump National in the ball room. At the conclusion of his speech, Trump had left the podium, and was walking towards the exit of the ballroom. Trump was taking questions from reporters and signing autographs as he made his way towards the exit.

At this time (which investigation later revealed to be March 8th, 2016 at approximately 9:57 PM), Fields asked Trump a question, while holding her cell phone up to Trump as a recording device. After she had asked the question, she felt someone yank her left arm. She added that she fell back but caught herself from falling.

Fields then turned around in reaction to having her arm grabbed, where she saw Ben Terris, DOB [Redacted], a reporter for the Washington Post. Fields asked Terris if it was "Corey" who had grabbed her, indicating the defendant, Corey Lewandowski, DOB 9/18/1973. Terris confirmed with Fields that it was indeed Lewandowski who had grabbed her arm.

Fields showed me her left forearm, which revealed bruising from what appeared to be several finger marks indicating a grabbing type injury.

Fields also played me the audio from her interaction with Trump when she asked him a

question. During the audio portion immediately after the incident, Fields is heard saying "Holy shit, I can't believe he just did that... that was so hard, was that Corey? You should have felt how hard he just grabbed me". Also, Ben Terris is heard saying "He just like threw you out of the way, like what threat were you?"

On March 11th, 2016, I contacted Ben Terris. Terris confirmed what Fields had told me about the incident. Terris indicated that he saw Lewandowski pull Fields` arm, and Fields stumble right after the pull. Terris specifically used the term "yank" as far as what type of action Lewandowski took onto Fields` arm.

On March 12th, 2016, I obtained video footage from Trump Security at Trump National in Jupiter. I specifically obtained video from the ballroom the night and time in question. The video parallels what Fields had told me, in that Trump was walking towards the exit of the ballroom, taking questions, and signing autographs. Fields is seen on video, holding her phone up to Trump, appearing to ask him a question. Trump had looked in her direction, and then Lewandowski extended his left arm out, stepping between Trump and another male subject believed to be U.S. Secret Service. After extending his arm out, Lewandowski appeared to reach for Fields`s left arm with his left hand, allowing him to get closer to Fields.

Lewandowski then grabbed Fields left arm with his right hand, causing her to turn and step back. This motion cleared a path for Lewandowski to walk past Fields, allowing him to "catch up" and get closer to Trump, who was walking during this entire incident.

Based on the above-described investigation, probable cause exists to charge Corey Lewandowski, DOB 9/18/1973, with (1) count of Simple Battery, per FSS 784.03(1)(a)(1), in that he did intentionally touch Michelle Fields, DOB [REDACTED] against the will of Michelle Fields.
