

DICK MORRIS

Stop Hillary Now

Dear Anti-Hillary Supporter,

Do you want a politician with a proven history of public corruption to become your next President?

If you're the conservative I trust you are, I know your answer is a definite "NO!"

But the truth is that Hillary Clinton has been plotting and scheming for years for this ultimate power grab.

In 2008 she came within a hair's breadth of capturing the Democratic Party nomination and the White House.

And now the field is being cleared for Hillary to realize her ultimate presidential dreams.

Barack Obama and Bill Clinton are now working side-by-side to give Hillary the biggest promotion of her career.

The Democrat Party is falling in line.

And the liberal media has begun its pro-Hillary cheerleading.

As a conservative, I'm deeply concerned.

But I have some very big news. Despite what some doom-and-gloomers are saying, there is still real hope!

And this is why I had to contact you today.

Now I just hope and pray that you'll take the next two minutes to read this letter so I can explain why your help of at least \$35 is so urgently needed.

As you know, Barack Obama's time in the White House has been a disaster for America.

But as bad as it's been, a Hillary presidency would be not only Obama's "third term" -- but Bill Clinton's too!

A Hillary Clinton presidency would combine all the incompetence of an Obama presidency with all the scandals of a Clinton one!

This is why a group of conservative Americans are coming together to make sure this national tragedy is never happens...

...and today I am asking you to please join us.

The group is STOP HILLARY NOW and it needs your immediate help, my friend.

Why the urgency, you ask?

STOP HILLARY NOW is unique because its sole purpose is to keep Hillary Clinton from achieving her undeniable goal -- a return to 1600 Pennsylvania Avenue!!!

Now I trust you see why this group is of such vital importance. So here's what I'm asking that you do to help...

- 1) Please sign and return the STOP HILLARY NOW Pledge of Support I've enclosed.
- 2) Please send an urgent contribution of \$35 or, if you can, even as much as \$50, \$75, \$100, \$250, \$500, \$1,000 or \$5,000.

And trust me, time is of the essence!

Your immediate support will make a huge difference by helping strike a severe blow to Hillary Clinton and her growing political network -- before it's too late!

Please understand, events are already moving in Hillary Clinton's direction.

* **The main Super PAC that propelled Obama to the White House is now backing Hillary Clinton.**

* A full 20% of Democrats in Congress have already endorsed Hillary -- before she's even declared her candidacy.

* 82% of Democrat voters want her to run.

* The Hillary for President organization has paid off all its debts from 2008 and now has a growing amount of money in the bank.

* "Yes... **Hillary has the 2016 Nomination in the Bag.**"

The Democrat primary is over before it started and the Democrats are ready to crown Hillary Clinton their champion.

Ever since Hillary stepped down as Secretary of State,

Hillary has been using smoke and mirrors to position herself as a "moderate" -- as someone who can get votes and win swing states like Ohio, Virginia, and Florida.

➔ **Hillary and her disgraced husband know that a radical feminist and ruthless political operator like her can never win nationwide if her true colors were known.**

But Bill and Hillary know that if they can hide her true Big Government beliefs and ambitions from enough Americans...

...they will be in position to win the White House!

My friend, this is exactly what they are doing even as you're reading this letter...

...and that's why STOP HILLARY NOW must pound the truth home about this opportunistic liberal each and every day!

We have no time to lose!

We must aggressively articulate that Hillary IS NOT the moderate she is now pretending to be and that in fact she is wrong, wrong, wrong on every single issue that we conservatives hold dear.

Specifically, we must EXPOSE the "real" Hillary to as many Americans as possible.

Remember: the youngest voters in 2016 were born at the end of Bill Clinton's presidency -- **they have no first-hand knowledge of her total deviousness.**

Please understand, *STOP HILLARY NOW* must be able to match Hillary mile for mile, dollar for dollar, as she tries to "re-invent" her image and amass even more political power.

But to do this I need you to act now.

My friend, in the critical months ahead *STOP HILLARY NOW* will focus 100% of its efforts on exposing the truth.

It's here that the battle will be fought and won! Yes, it's here that we can take down Hillary Clinton!!

But we shouldn't kid ourselves. It won't be easy.

To keep building the grassroots network we need to weaken Hillary Clinton, I must have your help within the next 14 days.

That's why I really hope you will do two things before you do anything else today...

- 1) Sign and return your *STOP HILLARY NOW* Pledge of Support.
- 2) Send back an immediate contribution of \$35 or even as much as \$50, \$75, \$100, \$250, \$500, \$1,000 or \$5,000.

Remember, whatever amount you feel you can contribute to this vital cause -- I ask that you please act within the next 14 days.

Events are unfolding fast.

I need to know within the next two weeks just how much political ammo we'll have.

Obviously, the more you can help, the harder we can hit.

My friend, it is clear for everyone to see that Hillary Clinton is doing all she can to be America's next President.

The field is being cleared for her... the money is pouring in... and the media propaganda machine is going into overdrive.

Hillary Clinton now poses a direct and imminent threat to all we hold dear...

* ...And the only thing standing between her and a
* return to the White House are people just like *
* you who have decided to take a stand by *
* supporting *STOP HILLARY NOW!!!* *

As conservatives, we must decide whether we're going to just sit back and allow Bill and Hillary Clinton to waltz back into ultimate power at 1600 Pennsylvania Avenue...

...or if we are going to fight them each and every step of the way! So please be as generous as possible. I'm counting on you.

Sincerely,

Dick Morris

The time for you and I to act is now! So please sign the enclosed Pledge of Support and send it back with your most generous gift of \$35, \$50, \$75, \$100, \$250, \$500, \$1,000 or \$5,000 today.
