Dear Ms. Zadrozny,

It was a pleasure to speak with you today, I look forward to meeting you next Wednesday, May 11<sup>th</sup> at BG Restaurant. I have scheduled the reservation for 11:30am under the name Angelica Matseyev.

Per our conversation, it has been brought to my attention that you have been attempting contact with members of our staff and student body to discuss their experience at the European School of Economics (ESE). At this time, I kindly ask that you refrain from attempting any further direct contact with our students and/or staff members as neither of those two groups can serve as designated spokespeople on behalf of our institution.

If you have any questions about this institution, you may reach out to me directly at any time. I will be happy to answer any questions that you may have in regards to ESE and our curriculum next week. My contact information appears below so please feel free to reach out at your convenience. I look forward to meeting you.

Thank you,

Angelica Matseyev
