Dear FOIA Officer:

I write to follow up on a FOIA request for the A-file of Mirna Artiga Carrero, A# 099-477-595.

The request was originally sent to ICE on June 9, 2015. ICE referred the request to USCIS. USCIS assigned it control number NRC2015081823 and sent us a partial response on October 19, 2015, indicating that the remainder of the documents are in the custody of ICE. USCIS then referred the request back to your office on that date. Since that time, we have contacted you repeatedly to check on the status of the request and have yet to receive a response.

As you are aware, ICE is required to respond to FOIA requests within twenty (20) business days. *See* 5 U.S.C. § 552(a)(6)(A)(i). At this time, more than 8 months have elapsed since the original request and we still do not have the documents we seek.

Please understand that if we do not receive the remainder of the documents by Friday March 4, 2016, we will treat ICE's failure to respond as a constructive denial of our request.

Thank you for your attention to this matter.

****Please note also that the mailing address for this request has changed and send any remaining materials to: Sirine Shebaya/David Rocah, 3600 Clipper Mill Rd, Ste 350, Baltimore, MD 21211.****
