Dear Mr. Dougherty

We have received your 30 November 2015 Freedom of Information Act (FOIA) request for documents relating to the 18 August 2015 award of delivery order (the "EONet Delivery Order") to Intelligent Decisions, Inc. under its NETCENTS-2 Products Indefinite Delivery Indefinite Quantity ("IDIQ") contract. In accordance with DoD Regulation 5400.7 Freedom of Information Act program, we are required to provide an interim response.

The FOIA provides for the collection of fees based on the costs of processing a FOIA request and your fee category. Based on the information in your request, we have determined your fee category is commercial. As a result, you are required to pay all document search, review and duplication costs over \$15.00. However, if you would agree to receive all documents electronically, there would be no duplication costs.

Please be advised that we have 20 duty days to submit a formal response to your request. You should receive a response from us by 21 January 2016. If we cannot meet this 20 day suspense you will be notified.

We will process your request and provide a response directly to you. If you have any questions, you may contact me at (210) 652-2186 or e-mail at bobby.white.1@us.af.mil and refer to 2016-00737-F.

Sincerely
