Mr. Dougherty,

I again apologize for the delay in responding to this FOIA request.

However, this request was for a large amount of documents (approximately 3,800-4,000 pages) which took a great amount of time to locate and review.

I can assure you that we are actively working to complete this request.

Please contact me if there are any questions.

Thanks

Mr. White,

I have been advised by my client to seek judicial intervention on Monday if the FOIA documents are not provided this week. The FOIA request was provided and acknowledged receipt by the Air Force on November 30th, 2015. It has not been over 3 1/2 months without a single document being produced. Either produce the documents or inform me that you are withholding the documents. According to your last email the documents were assembled and were being reviewed by legal. Two weeks is more than enough time for a legal review.

Mr. Dougherty,

I just wanted to provide an update to your FOIA request.

The records are being forwarded today to the Staff Judge Advocate for review.

I will let you know when their review is completed.
