Don't want to take this too far. Kinda wish I hadnt had to tell anyone, but crazy to think it could have been hidden long. No- no Egan, and I'm not going to assume this will be as smooth and easy as the other kids' births, so can't imagine inviting in a rock radio microphone.

I spoke w/Bob. He agrees on the donation and thinks it's great. He brought up the possibility of doing it after the baby is born so the baby would be present as well. He's envisioning ALOT of people, i.e. Egan Center and I'm not too sure about that idea.

We'll work out details once timeframe is determined.

He also asked again about the live audio recording of the birth and what you thought. A private moment?

Governor-

I have been asked about a baby shower in Juneau. I have already received offers to host it. Please let me know if you would be interested in a similairevent.

I too think the idea of helping young Army wives is fantastic.

Yes, I'll give him a call initially and then have someone work with him on details. Love the idea about the young army wives.

Wants KWHL to throw me a baby shower. I say "yes", if the gifts can go to these young Army wives who don't have much, they're far from their families, the dads aren't there for the newborns first months, etc. And now Ft. Wainwright's aviation unit was notified of a four month extension on deployments. Would u assign someone to work with Bob on that angle? Thanks
