Dear Messrs. Chairmen:

I write to supplement my October 28, 2016 letter that notified you the FBI would be taking additional investigative steps with respect to former Secretary of State Clinton's use of a personal email server. Since my letter, the FBI investigative team has been working around the clock to process and review a large volume of emails from a device obtained in connection with an unrelated criminal investigation. During that process, we reviewed all of the communications that were to or from Hillary Clinton while she was Secretary of State.

Based on our review, we have not changed our conclusions that we expressed in July with respect to Secretary Clinton.

I am very grateful to the professionals at the FBI for doing an extraordinary amount of high-quality work in a short period of time.

Sincerely yours,

  
James B. Comey  
Director
