Please note that Mr. Jimenez commonly is referred to as Tony Jimenez.

SBA can limit the timeframe for this search to January 1, 2011 through December 30, 2014. SBA can further limit the scope of this search to the following categories of information:

5. Communications between Mr. O'Harrow and the SBA—including but not limited to the Office of Communications and Public Liaison; the Office of General Counsel; the Office of the Administrator; the Office of Government Contracting and Business Development; the Office of Policy, Planning and Liaison; and the Office of Management and Administration—regarding MicroTech and/or Mr. Jimenez.

We agree to pay all reasonable statutory costs in connection with this request up to a maximum of \$5000. Please contact me via phone or e-mail if the costs will exceed this amount.

If you deny all or part of this request, please cite the specific exemption(s) you believe justify your refusal to release the information or permit the review of the information, describe how disclosure would harm the interests claimed by the exemption, and notify us of your appeal procedures available under the law. Pursuant to FOIA, if the SBA believes that a portion of information in a record cannot be released, we request that the SBA produce all reasonably segregable, non-exempt portions of the record.

FOIA requires the SBA to respond to this request within 20 working days. Thus, we expect the SBA to provide the response within that timeframe.

Thank you in advance for your time and attention to this matter. If you have any questions or concerns relating to this request, please do not hesitate to contact me.
