Good Morning Mr. Bolinder,

The refined search located 3,298 potentially responsive documents. We estimate that it will take about 5 to 6 months to review and process these documents. Let me know if you would like to proceed.

Subject: Proposed Search Terms -- Item 2 Request CFPB-2016-207-F

Ryan,

You have I have discussed potential search terms to narrow the results for Item 2 of request CFPB-2016-207-F.

I propose the following search terms. Please let me know how they affect the universe of documents and, pending that discussion, we can hopefully come to an agreement on the search.

MUST contain words "arbitration study" and/or "proposed ban"

AND ANY of the words "methodology" OR "peer review" OR "junk" OR "bad science" OR "flawed report" OR "massive numbers"

Just to confirm, you also told me that you are processing the rest of the items and hope to have them completed next week.

Thanks!
