Dear Mr. Keeley:

This is in reference to Phase II of the White Oaks Business Park Development located in Bridgeport, West Virginia. The Corps has recently become aware that the work has been completed and is not in compliance with Department of the Army Permit # 2007-231, proffered February 24, 2016.

Please be advised that the unauthorized activity described above is a violation of Sections 301 and 404 of the Clean Water Act, 33 USC 1311, 1344. No further work can be performed at this location after receipt of this Order. Failure to comply with this Order may result in a referral to the US Environmental Protection Agency or US Attorney for enforcement or prosecution, which may include assessment of civil or criminal penalties in amounts up to \$50,000 per day.

The Corps of Engineers prefers to avoid legal action, and wishes to resolve this matter informally with you. Please contact this office within 15 days of receipt of this Order to determine a course of action.
