STATEMENT OF THE FACTS

- 6. On June 2, 2016, Plaintiff sent a FOIA request to the USDA's Forest Service requesting access to documents from June 30, 2013, between 3:00 p.m. and 5:00 p.m. as follows: a) all voice recordings and written transcripts thereof related to the June 30, 2013, Yarnell Hill Fire ("YHF") Panebaker and/or Moore and/or United States Forest Service Aerial Firefighting Study, also known as the Aerial Firefighting Study, AIR-TO-GROUND ("A2G and/or A/G") Radio Transmissions; and b) between, to and/or from any and all air resources and any and all Incident Management Team and any and all operational and ground personnel.
- 7. On June 16, 2016, USDA caused correspondence to be sent to Plaintiff acknowledging receipt of Plaintiff's June 2, 2016, FOIA, assigning it case number 2016-FS-R3-04232-F.
- 8. The USDA also stated in their June 16, 2016, correspondence that it did not find any responsive records to items 1 or 2 of Plaintiff's request, that they would "re-route" Plaintiff's request to the Forest Service, Washington Office FOIA Service

Center for processing, that Plaintiff should check with the Arizona Department of Forestry & Fire Management and lastly, that Plaintiff could file his appeal in 45 days.

- 9. Upon information and belief, Plaintiff is certain that these AIR-TO-GROUND records exist. In fact, in some of the videos that the USDA has released to the public, the AIR-TO-GROUND transmissions can be heard.
- 10. Plaintiff became aware that an employee of the Coconino National Forest ("COF"), Duane Tewa, had stated that numerous individuals submitted records regarding Plaintiff, and because of Plaintiff, "Yarnell Hill Fire 'drama' is being directed toward the COF." As such, on June 7, 2016, Plaintiff submitted an FOIA and Privacy Act request to the USDA and an addendum on June 9, 2016, requesting the following information for the time period June 30, 2013, through June 7, 2016, as follows: a) all records related to Fred J. Schoeffler and the June 30, 2013, Yarnell Hill Fire; b) between, to, and/or from any and all COF, and any/all other Federal, State, and/or municipal Wildland Fire personnel and private citizens and/or legal entities, including but not limited to: Amanda Marsh, Holly Neill, Elizabeth Nowicki, and/or Deanna Thompson.
- 11. On June 16, 2016, the USDA caused correspondence to be sent to Plaintiff acknowledging their receipt of his FOIA and assigned it case no. 2016-FS-R3-04284-F.
- 12. On September 23, 2016, the USDA sent a CD to Plaintiff which contained 584 pages of records purporting to be responsive to Plaintiff's FOIA. However, the records that were sent were Plaintiff's <u>training and fire experience records</u>. The documents were in no way responsive to Plaintiff's request.

- 13. On October 11, 2016, Plaintiff filed an appeal to FOIA 2016-FS-R3-04284-F which was acknowledged by the USDA on October 18, 2016, and assigned case no. 2017-FS-WO-00013-A.
- 14. On July 26, 2016, Plaintiff submitted a FOIA request to the USDA requesting access to documents from June 30, 2013, through July 26, 2016, as follows:

Schoeffler and the June 30, 2013, Yarnell Hill Fire between, to, and/or from any and all COF, Federal, State, and/or municipal Wildland Fire personnel and private citizens and/or legal entities, including but not limited to: Amanda Marsh, Holly Neill, Elizabeth Nowicki, and/or Deanna Thompson; b) any and all COF and/or Southwest Regional direction to its employees regarding any and all dialogue and/or conversations and/or encounters with Fred J. Schoeffler.
- 15. On July 28, 2016, Plaintiff called Marie DeRobertis, USDA FOIA Specialist, who acknowledged receipt of Plaintiff's July 26, 2016, request and advised that she was backlogged with many FOIA cases. The USDA has never made any further responses to Plaintiff's request.
- 16. On July 27, 2016, Plaintiff submitted a FOIA request to the USDA and was acknowledged and assigned Case No.: 2016-FS-WO-5736-F.
