Mr. Heaney,

I have contacted the Case Analyst and requested a status update and estimated completion date for your case. The Analyst will contact the bureaus doing the searches and the individuals reviewing the material. This will take some time because each case is different. The search and review time varies. The time depends on the complexity of information requested and the time it takes to review the material.

I hope this information is helpful. If you have further concerns or any questions regarding any FOIA-related matter, please contact the FOIA Requester Service Center (FRSC) at [\(202\) 261-8484](tel:(202)261-8484), or fax us at [\(202\) 261-8579](tel:(202)261-8579) or send an e-mail to foiastatus@state.gov
