Re: Public Records Request

Dear Mr. Sonenstein,

This letter is in response to your written request for public records received on February 16, 2017. Your request is being treated as a request pursuant to the Access to Public Records Act (APRA). The Dearborn County Sheriff Department is committed to compliance with the Indiana Public Records Law.

Your typewritten requests: All jail inspection reports for the Dearborn County Jail. All e-mails containing the domain "advancedch.com". The time frame for my request should cover the period between January 1, 2015 and July 20, 2016.

Indiana Code 5-14-3-3 (a) states: Any person may inspect and copy the public records of any public agency during the regular business hours of the agency, except as provided in section 4 of this chapter. A request for inspection or copying must: (1) identify with reasonable particularity the record being requested.

The Dearborn County Sheriff Department is under no obligation or requirement to compile data and transmit or mail those records to you. The Public Records Law requires only that records are available for inspection at the Sheriff's Office during regular business hours of the agency. Please see IC 5-14-3-3(b). Please provide a one-week notice prior to your arrival to insure that the appropriate specific records will be available upon your arrival.

This letter constitutes the required response under the statute. All denials contained herein are based on those exemptions stated in the Indiana Code.

Sincerely,

A handwritten signature in cursive script that reads "Michael R. Kreinhop".

Michael R. Kreinhop
Dearborn County Sheriff
