Estimado Elie Velazquez

Espero que todo bien, desde nuestra ultima conversaci3n no volví a saber nada de ti sobre lo que hablamos, te adjunto cartas firmadas y selladas ante notario sobre quien puede vender dichos partidos, espero que ahora si podamos llegar a un acuerdo o bien venderlo a otra cadena.

Espero tus comentarios

Dear Elie Velasquez

I hope everything all right, I did not hear anything from you following our last conversation about what we discussed, I am attaching letters signed and sealed before a notary about who can sell said matches, I hope that now we will be able to reach an agreement or else sell it to another network.

I await your comments
