Dear Mr. Cook:

This responds to your Freedom of Information Act (FOIA) request dated May 24, 2011, and received in this Office on May 25, 2011, in which you requested correspondence between Roger Ailes and former Attorneys General John Ashcroft, Alberto Gonzales, and Michael Mukasey. This response is made on behalf of the Office of the Attorney General.

Please be advised that a search was conducted of the archived e-mail accounts of former Attorneys General Ashcroft, Gonzales, and Mukasey, as well as of the electronic database of the Departmental Executive Secretariat, which is the official records repository for the Office of the Attorney General. We also conducted a search of the records indices of the administrations of former Attorney Generals Ashcroft, Gonzales, and Mukasey. The indices supplement the electronic database of the Departmental Executive Secretariat and list file folder titles, arranged according to subject, for the records of former Office of the Attorney General staff. As a result of these searches, sixteen pages subject to the FOIA were located that are responsive to your request. I have determined that all of this material is appropriate for release without excision, and copies are enclosed.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001. Your appeal must be received within sixty days from the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

Carmen L. Mallon

Dear Mr. Attorney General,

Thank you for sending me a copy of *Preserving Life & Liberty: The Record of the U.S. Department of Justice 2001-2005*. I look forward to reading about all of your accomplishments over the past four years. You presided as Attorney General during one of the toughest times in history, and I thank you for it. Even though you took a lot of heat while you were in office, most Americans know you did a great job for our country. I wish you all the best.

Best regards,

Roger Ailes
