ACF-OIG Agreement

Dear Mr. Cirrincione:

This is a request for documents under the Freedom of Information Act. The requested records are:

- All documents discussing or interpreting the restriction in Title IV-E on paying for placements in detention facilities, forestry camps, training schools or any other facility operated primarily for the detention of children who are determined to be delinquent.
- All documents addressing whether the VisionQuest, Abraxis, Clarendon or Glen Mills youth programs are eligible placements under the Title IV-E program.

The term "documents" includes both written and electronic documents and specifically includes correspondence and e-mail. A search of both regional offices and central office is specifically requested.
