Case ID #: 58C-TP-70141 (Closed)

Title: Congressman Don Young;
Et Al;
Corruption

Synopsis: To close case.

Details: After review by the Chief of the Public Integrity Section, Department of Justice, it was determined that there was not evidence beyond a reasonable doubt to ultimately convict Congressman Young. Instead, the FBI has forwarded a letter outlining certain actions taken by Congressman Young and will leave punishment to the discretion of the Ethics Commission. A copy of the letter sent to the Ethics Commission is incorporated into the file.

Inasmuch as the chief of the public integrity section has declined prosecution in this matter, the writer requests that the case be closed at this time.
