RESPONSE TO REQUEST FOR ADMINISTRATIVE REMEDY

Part B - RESPONSE

Remedy ID - 896680-F1

This is in response to your Request for Administrative Remedy, received February 29, 2017, wherein you are requesting your Unit Team submit a transfer to either Coleman or Miami. You requested to review the EMS-A409.051 Request for Transfer/Application of Management Variable, prior to the final reviewing authority approval. You state your request to review this form was denied by your Unit Team.

A review of this matter reveals during your regular scheduled Program Review conducted on March 16, 2017, you advised your unit team you would like to request a Nearer Release Transfer to Coleman or Miami. Your Unit Team advised you they would submit a request to the Designation and Sentence Computation Center (DSCC) on your behalf. According to Program Statement 5800.17, Inmate Central File, Privacy Folder, and Parole Mini-Files, Page 11, Section D, "any inmate who wishes to receive copies of disclosable materials from the file must make a request to institution staff." Therefore, your Unit Team advised you a copy of your Transfer Request would be made available to you after it was reviewed and signed by the final reviewing authority.

This response is provided to your Request for Administrative Remedy for information purpose only. If dissatisfied with this response, you may appeal to the Regional Director, Southeast Regional Office, at 3800 Camp Creek Parkway, SW, Building 2000, Atlanta, Georgia 30331-6226. Your appeal must be received in the Regional Director's Office within 20 calendar days of the date of this.
