Dear Mr. Eaton:

This acknowledges receipt of your 8 June 2016 letter, received in the office of the Information and Privacy Coordinator on 15 June 2016, appealing the timeliness of our response to your 2 January 2015 Freedom of Information Act request for **any and all emails between (a) Senator Mark Udall and (b) CIA Director John Brennan concerning the so-called Panetta Review of the CIA's enhanced interrogation program. [You] are requesting emails produced between Nov. 30, 2013 and the date this request is received and processed.**

Please be advised that our regulations only allow requesters to appeal denials of information, no records located responses, fee waiver denials, and expedited processing. For your information, Agency regulations addressing appeal rights are located in subparts 1900.42(a) of title 32 of the Code of Federal Regulations. We apologize for any confusion, but this will allow you if you desire the chance to challenge our final determination by filing an administrative appeal. Meanwhile, we appreciate your patience while we continue to process your request.

Sincerely,

A handwritten signature in cursive script that reads "Michael Lavergne".
