FOIPA Request No.: 1378711-000
Subject: Verint Technologies, Inc

Dear Mr. O'Neill:

The purpose of this letter is to advise you of the status of your pending Freedom of Information Act (FOIA) request at the Federal Bureau of Investigation (FBI). Currently, the FBI is searching for, retrieving, scanning, and evaluating files that may be responsive to the FOIPA. Many factors may contribute to the time required to process your request; however, the greatest single factor is the number of documents associated with your request.

Once your files have been evaluated as potentially responsive, your request will be forwarded to the "perfected backlog," where your request will wait for assignment to an analyst.

You have the opportunity to reduce the scope of your request; this will accelerate the process and could potentially place your request in a smaller processing queue. This may also reduce search and duplication costs and allow for a more timely receipt of your information.

Please advise in writing if you would like to discuss reducing the scope of your request. Provide a telephone number, if one is available, where you can be reached between 8:00 a.m. and 5:00 p.m., Eastern Standard Time. Mail your response to: **Work Process Unit; Record Information/Dissemination Section; Records Management Division; Federal Bureau of Investigation; 170 Marcel Drive; Winchester, VA 22602.** You may also fax your response to: 540-868-4997, Attention: Work Process Unit.

For questions, or to check the status of your request, visit the www.fbi.gov/foia website. The FOIPA Request Number listed above has been assigned to your request. Please use this number in all correspondence concerning your request. Your patience is appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "D Hardy", is written over the word "Sincerely,".

David M. Hardy
Section Chief,
Record/Information
Dissemination Section
Records Management Division
