On December 5, 2016, the Defense Logistics Agency (DLA) Law Enforcement Support Office (LESO) acknowledges that the State of Virginia has completed the FY16 Annual Inventory, as required per the Memorandum of Agreement between the DLA and the State. The State has receipted and/or certified for all items which fall within the parameters of the FY16 Annual Inventory. The State has provided the required photos and/or serial numbers for Aircraft, Tactical Vehicles, Weapons, Night Vision/Optical devices, Weapons Suppressors and other items (as identified by the DLA LESO).

The DLA LESO will work with your State (as needed) throughout the coming months, to resolve potential discrepancies that have been identified via the Annual Inventory process.
