To that end, I am requesting updated information on your municipality’s fund balance. We have historic data already reported to our office, which we have included below. We are looking for estimates of your General Fund’s total fund balance and unassigned fund balance for as of June 30, 2017. In addition, we are requesting projections of your municipality’s General Fund total fund balance and unassigned fund balance as of June 30, 2018, based on the assumptions from your adopted FY 18 budget.
