Topic: opportunities for regulatory innovation and improvement; very active with the rest of the business community and with municipal government on ways EPA programs could become more efficient and closely aligned with statutory goals; hoping we can be a resource for the Administrator, particularly in terms of ideas for ways to meet his goal of facilitating progress in working through the Superfund pipeline, sustaining some essential research and educational functions for RCRA, and improving the roll-out of recently promulgated air standards for municipal landfills; this would be a policy discussion about some key EPA programs

**Location** Alm Room

Today's Date: April 3, 2017

Meeting Date: April 5, 2017

Meeting Time: 3:50 pm

Requested Location (if offsite, please list address, parking instructions, etc.): EPA, Administrator's Office

Requestor: The National Alliance of Forest Owners is an advocacy association of 48 companies and 29 forestry associations representing over 80 million acres of private forestland throughout the country. Nationwide, private forests constitute 70% of the nation's forests and support 2.4 million jobs and \$99 billion in annual payroll.

Purpose of the Meeting: To introduce the National Alliance of Forest Owners to the Administrator and discuss how forest owners and EPA can work together on water and air policies that will support jobs in the forestry sector and the rural economy overall.

Background on the Meeting: NAFO has two significant policy matters pending before EPA:

#### 1. Regulation of Biomass Carbon Emissions

- \* Forest biomass is a plentiful renewable energy resource that is typically the product of forest management or mill operations.
- \* Producing energy from this low value product provides mills with an efficient power supply, supports jobs in rural communities and provides a better economic return for forest owners, many of whom continue to struggle to find markets for their wood following the Great Recession.
- \* For many years, EPA policy treated biomass as carbon neutral, in line with the rest of the world, meaning that any carbon emitted from combustion of biomass is recaptured by growing forests as part of the natural carbon cycle.
- \* In 2010, without public notice or scientific basis, EPA's "Tailoring Rule" reversed that policy and regulated greenhouse gas emissions from biomass without regard for the natural carbon cycle.
- \* Since 2010 EPA has repeatedly committed to revise and clarify its biomass policy but failed to do so. The resulting uncertainty has stalled investment in biomass energy at mills and stand-alone facilities.

We are seeking to work with EPA to remove uncertainty about biomass in EPA policy through amendments to the Tailoring Rule that are pending at OMB. Clarity on biomass will correct EPA's policy on biomass, restore the natural forest carbon cycle as the underpinning for biomass energy policy, and support job-sustaining investment.

#### 2. Waters of the US (WOTUS) Regulations

- \* Forest management activities are generally consider nonpoint sources except for stormwater control ditches and herbicide applications.
- \* Courts have required NPDES permits for herbicide applications in forests, but EPA has elected not to regulate ditches as point sources.
- \* However, the expansion of WOTUS under the new definition will create confusion about where else the permits are required and what additional requirements are imposed if the ditches are now WOTUS.
- \* Features that EPA declared to be WOTUS in the revised definition that are of concern to NAFO members include ephemeral and intermittent streams, ditches, and isolated wetlands.

 Requesting Office: Office of Policy

Title of the Meeting: Meet and Greet of State Commissioners on EPA Lean Action Board

Purpose: Introduce the state members of Lean Action Board (LAB), a group of senior EPA and state officials working collaboratively to eliminate waste and increase productivity in our environmental programs, to the Administrator. The LAB consists of 7 EPA SES members and the directors of two state (AZ, KS) environmental agencies. State LAB members will provide an overview of Lean activities and results at EPA and with its state partners, and describe how Lean is making a difference in how EPA manages our people and programs.

Role of the Administrator: This would be a quick meet and greet before or at the end of his stay at ECOS. It would not require a room and could be done in a discrete location of the lobby.

Background: Commissioned in 2015, the LAB brings together EPA and state environmental leaders to advance the practice of Lean and to foster a continuous improvement culture within EPA and states. During 2016 the LAB focused on identifying Lean projects with transferable solutions and is working with EPA and state partners to share successful results with other states and regions with similar processes in need of improvement.

Last possible date for the meeting: The state members of the LAB would appreciate the opportunity to meet with the Administrator at the Mayflower before or after his Keynote at the ECOS on April 7, 2017. The state members are Misael Cabrera (AZ) and John Mitchell (KS), who both are attending the ECOS meeting.

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of her performance of the event and does not involve a gift to her or to the agency. While free

attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Hi Sydney,

There are no ethics concerns with respect to this event. It may be

important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

 Subject: RE: Cement Association MAY Meeting/Keynote Request

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

**White House Ethics Pledge**

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering her a tangible gift to take home with her.

**Acceptance of Free Attendance (including meals)**

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

**Financial Disclosure Implications**

Because this is not a gift, there are no financial disclosure reporting obligations.

Evening Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Subject: RE: Invitation to Administrator Pruitt for NACD Board Meeting

Hi Millan, Did the Administrator attend this event on Monday? I realized I hadn't answered this one. If so, it's okay! Here's the ethics advice to go along with this event. Jennie for OGC/Ethics

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a

lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

#### White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

#### Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

#### Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

OFFICE OF  
GENERAL COUNSEL

MEMORANDUM

**SUBJECT:** Request for Authorization for Government (Military) Aircraft Travel

**FROM:** Kevin S. Minoli  
Acting General Counsel

A handwritten signature in black ink, appearing to read "KSS", is written over the printed name of Kevin S. Minoli.

**TO:** Ryan Jackson  
Chief of Staff

This memorandum responds to your request for my review of whether the circumstances regarding the Administrator's schedule and obligations on June 7, 2017 and June 8, 2017, satisfy the standard for the authorized use of a government aircraft for one portion of the necessary transportation between those obligations, and, if so, your request for my authorization, pursuant to 41 CFR sec. 301-70.803(b). Because I conclude that the regulatory and other standards are satisfied by the circumstances as they have been provided to me, this memo provides authorization for the Administrator and required accompanying EPA staff to travel from Cincinnati, Ohio, to the John F. Kennedy International Airport (JFK Airport) in New York, New York, on a military aircraft operated by the United States Department of the Air Force. The travel will occur today, June 7, 2017.

The Administrator is currently scheduled to depart Washington, DC, to travel to Rome, Italy, later today (June 7, 2017) as the lead official on a diplomatic mission for the United States Government. While in Italy, the Administrator is scheduled to represent the United States at the G-7 Environment Ministerial, in bi-lateral meetings with individual Environment Ministers, in bi-lateral meetings with the Vatican, and in meetings with United States businesses that have locations in Italy. This official, mission-critical travel has been coordinated with the Department of State and the local United States Embassy. See attachment 1, "Notional Itinerary for EPA Administrator Mission to Italy."

In addition, the President directed Administrator Pruitt to accompany the President today (June 7, 2017) aboard Air Force One and travel to Cincinnati, Ohio, to attend and participate in water infrastructure-related public events. See attachment 2, "The Visit of the President to Cincinnati, OH Wednesday, June 7, 2017." As explained in the June 7 memoranda from the Deputy Chief of Staff respectively, the Administrator's original travel itinerary had to be changed to depart for Italy from Cincinnati, Ohio, instead of Washington, D.C., given the need to immediately travel to Cincinnati to support the Presidential event. See attachment 3, Email from John Reeder, Deputy Chief of Staff, to Kevin Minoli, Acting General Counsel, and Elise Packard, Acting Principal Deputy General Counsel, June 7, 2017. According to the attached schedules, the Administrator

will not complete his obligations with the President until 2:05 p.m. Currently, the Administrator is scheduled to depart JFK Airport at 7:35 p.m. I understand from the information provided to me by you and the attached email from the Deputy Chief of Staff that there are no commercial flights leaving Cincinnati, Ohio for JFK Airport that would arrive in time for the scheduled flight to Italy. I also understand from you that there are no other viable flight itineraries that would arrive in Italy on schedule have been identified.

EPA's use of non-commercial travel services is governed by OMB Circular A-126, OMB Bulletin 93-11, and the Federal Travel Regulations at 41 CFR parts 301-10 and 301-70. Under these policies and procedures, the "agency's senior legal official or his/her principal deputy must authorize all travel on Government aircraft by senior Federal officials on a trip-by-trip basis, in advance and in writing." 41 CFR sec. 301-70.803(b). Travel can be authorized on government aircraft in three situations:

- a) Mission Requirements. The activities undertaken on the trip are operational functions that are necessary to discharge an agency's official responsibilities. Examples include transportation of troops or equipment, evacuation, intelligence gathering or counter narcotics work, search and rescue, transportation of prisoners, and scientific applications such as research that requires the use of aircraft for experiments;
- b) Required Use. Travel via government aircraft is authorized if it is for the purposes of bona fide communications (e.g., 24-hour secure communications) or security reasons (e.g., highly unusual circumstances that present a clear and present danger) or exceptional scheduling requirements (e.g., a national emergency or other compelling operational considerations); or
- c) Other Official Travel. Official travel that does not qualify as a "mission requirement" or "required use" travel may be undertaken in a government aircraft in limited circumstances. EPA must determine that no commercial service is reasonably available to effectively fulfill its requirements (i.e., no commercial service must be able to meet the traveler's departure and/or arrival times within a 24-hour period unless extraordinary circumstances justify a shorter period or that the actual cost of using a chartered aircraft is less than the cost of commercial airline service).

See, OMB Circular A-126, OMB Bulletin 93-11, and the Federal Travel Regulations at 41 CFR parts 301-10 and 301-70. I evaluated this travel request under the "required use" and "other official travel" Standards. Regarding "required use", OMB Circular A-126 states that a "required use" travel determination must be consistent with established agency policies for determining when such use is permitted. The EPA's Travel Manual states in relevant part:

...use of a federal government aircraft, chartered or federal government owned, must comply with the OMB Circular A-126. The EPA must need the service to fulfill a mission requirement, exceptional scheduling, communication or security requirements, or there is a substantial cost savings to the federal government.

Referring back to the standard for a “required use” authorization described above, use of a government aircraft may be authorized for one of three reasons: 1) bona fide communications; 2) security; or 3) exceptional scheduling considerations. The requested travel on a government aircraft is not necessary for communications or security reasons. There are, however, exceptional scheduling considerations that satisfy the standard for authorizing this travel on a government aircraft. The Administrator’s schedule requires him to accompany the President in Cincinnati, Ohio, today, June 7, 2017, and requires him to represent the United States Government at previously-scheduled meetings in Rome, Italy tomorrow, June 8, 2017. Both obligations have been deemed critical to the mission of the agency. The temporal proximity and geographic distance between the two obligations jointly constitute an exceptional scheduling requirement.

In order to authorize travel on a government aircraft under the “other official use” standard, it must be determined that no commercial service is reasonably available to fulfill the agency’s requirements. This is generally established when there is no commercial service available to meet the traveler’s departure and/or arrival times within a 24-hour period, unless extraordinary circumstances justify a shorter period. Here, the extraordinary circumstances described above justify a shorter period of consideration other than 24-hours. Additionally, based on the information provided to me by you and in the attachments, there is no commercial service available to meet the agency’s travel need.

Based on the information provided to me, I authorize the use of government aircraft for the Administrator’s travel today (June 7, 2017) from Cincinnati, Ohio, to JFK Airport based on the conclusion that the travel satisfies both the “required use” standard and the “other official travel” standard for such an authorization. My review and authorization is limited to the authorization to travel on a government aircraft; it does not represent any other required authorizations or approvals, such as those necessary under EPA’s Travel Policy, nor does it represent the authorization or approval of the individual trips themselves.

OFFICE OF GENERAL COUNSEL

MEMORANDUM

SUBJECT: Approval of Request for Charter Services

FROM: Elise B. Packard *EBP*  
Acting Principal Deputy General Counsel  
Office of General Counsel

TO: Kevin Chmielewski  
Deputy Chief of Staff for Operations  
Office of the Administrator

This memorandum responds to your request for authorization for the Administrator, seven EPA staff, and a non-federal employee to use charter aircraft on July 27, 2017. I have concluded that the circumstances you have provided in your request satisfy the regulations and policies governing EPA's use of charter aircraft. I am therefore authorizing the individuals listed in your request to travel on the Department of Interior's aircraft on July 27, 2017 from Tulsa, OK to Guymon, OK and from Guymon to Oklahoma City, OK.

As provided in your request, the Administrator, seven EPA staff, and one member of the media, are scheduled to use charter aircraft on the morning of July 27, 2017 to travel from Tulsa to Guymon for the purpose of meeting with landowners impacted by EPA's Waters of the United States Rule. The same individuals will then fly on the charter aircraft from Guymon to Oklahoma City to meet with state officials.

EPA employees

An agency's use of charter services is governed by OMB Circular A-126, OMB Bulletin 93-11, and 41 CFR §§ 102.33, 301-10.260 –10.266. Under these policies and procedures, OGC may authorize EPA employees to travel on charter aircraft in three situations:

- a) Mission Requirements. The activities undertaken on the trip are operational functions that are necessary to discharge an agency's official responsibilities. Examples include transportation of troops or equipment, evacuation, intelligence gathering or counter narcotics work, search and rescue, transportation of prisoners, and scientific applications such as research that requires the use of aircraft for experiments.
- b) Required Use. EPA can charter aircraft for its officials under this type of authorization for the purposes of bona fide communications (e.g., 24-hour secure communications) or security reasons (e.g., highly unusual circumstances that present a clear and

present danger) or exceptional scheduling requirements (e.g., a national emergency or other compelling operational considerations).

- c) Other Official Travel. Official travel that does not qualify as a “mission requirement” or “required use” travel may be undertaken by chartered aircraft in limited circumstances. To meet this test, EPA must determine 1) the travel is for the purpose of conducting agency business and 2) no commercial service is reasonably available to effectively fulfill EPA's requirements or that the actual cost of using a chartered aircraft is less than the cost of commercial airline service.

Here, the travel satisfies the criteria of “other official travel” because the travel is for the purpose of conducting agency business and there are no commercial aircraft that offer flights to Guymon. As stated in your request, the purpose of the visit to Guymon is to meet with Gary Weabie of the Panhandle Irrigators Association, and landowners whose farms have been affected by the Waters of the United States Rule. Your request also provides that Guymon is in a remote location and Guymon Municipal Airport is too small to accommodate commercial aircraft.

#### Non-federal employee

Under 31 U.S.C. § 1345, EPA funds are not available to pay for the transportation of non-federal employees to meetings (a term DOJ's Office of Legal Counsel interprets broadly) unless otherwise authorized by law (such as under invitational travel orders, as authorized by 5 U.S.C. §5703). Absent such authority, a non-federal employee may travel on government aircraft only if he or she is occupying a seat that would otherwise be vacant. That is, non-federal employees may ride along only if the vehicle has available extra seats, and EPA does not expend any additional funds to accommodate the non-federal employees (e.g., EPA does not rent a larger vehicle to accommodate the non-federal employees).

It is permissible for the member of the media noted in the request to accompany the EPA employees on the charter flight because we have determined that s/he will be occupying a seat on the aircraft that would otherwise be vacant. Therefore, EPA will not be spending appropriated funds on a non-federal employee.

#### Conclusion

Based on the information provided to me, I authorize the use of government aircraft for the requested individuals on July 27, 2017 from Tulsa to Guymon and from Guymon to Oklahoma City. Travel on a charter service is appropriate here because the purpose of the trip is to conduct the Administrator's official business of studying the impact of EPA regulations on farmers, and the town is not accessible through commercial means. The member of the media may also accompany the EPA employees on the flight because there is no additional cost to the Agency to accommodate him or her.

OFFICE OF GENERAL COUNSEL

MEMORANDUM

SUBJECT: Approval of Request for Charter Service from Denver to Durango

FROM: Kevin S. Minoli  
Acting General Counsel  
Office of General Counsel

A handwritten signature in blue ink, appearing to read "K. Minoli", is written over the typed name and title.

TO: Kevin Chmielewski  
Deputy Chief of Staff for Operations  
Office of the Administrator

This memorandum responds to your request for written approval for the Administrator and three EPA employees to use a charter service to fly from Denver to Durango, CO on August 4, 2017. I have concluded that the circumstances you have provided in your request satisfy the regulations and policies governing EPA's use of charter aircraft. I am therefore, memorializing my prior verbal approval of your request.

On August 4, 2017, the Administrator and his staff were scheduled to attend a meeting at Gold King Mine, near Durango, to discuss the mine spill with the Colorado Congressional delegation, the Colorado Governor, key community leaders, and stakeholders. The Administrator was scheduled to take a commercial flight from Denver at 9:10 a.m. that would arrive in Durango at 11 a.m. When the Administrator and his staff arrived at the airport in Denver for their departure to Durango, they learned that the flight had been delayed. The delay pushed the flight's arrival time beyond the Administrator's scheduled meeting time at Gold King Mine.

Pursuant to OMB Circular A-126, in emergency situations, EPA's General Counsel or Principal General Counsel may give prior verbal approval of the Agency's use of a charter service and after-the-fact written certification. In this case, the Administrator urgently needed a mode of transportation to make his meeting and did not have sufficient time to request formal approval from OGC. I was contacted by the EPA's Chief of Staff, Ryan Jackson, to provide verbal approval of the use of a private charter service. Based on the facts presented to me, I gave my verbal approval for the Agency's use of a charter service, which I believed qualified as "other official travel" under GSA's authorized uses of charter aircraft. Ryan Jackson agreed to deliver the appropriate paperwork to OGC the following week so I could provide my formal approval. This information was documented in an email dated August 4, 2017.

An agency's use of charter services is governed by OMB Circular A-126 and 41 CFR §§ 102.33, 301-10.260–10.266. Under these policies and procedures, one of the three situations in which OGC may approve EPA's use of a charter service is for "other official travel." To meet this test, EPA must determine 1) the travel is for the purpose of conducting agency business and 2) no commercial service is reasonably available to effectively fulfill EPA's requirements or that the actual cost of using a chartered aircraft is less than the cost of commercial airline service. Here, the travel satisfies the criteria of "other official travel." As stated in your request, the purpose of the Administrator's visit was to meet with state representatives and stakeholders to discuss EPA's response to the Gold King Mine spill. You also state in your request that there were no alternative commercial flights that would allow the Administrator and his team to make the meeting on time.

Based on information provided to me, I am formally authorizing EPA's use of a charter service from August 4, 2017 from Denver to Durango. If you have any questions regarding this memorandum, please do not hesitate to contact me (202-564-8040) or Stephanie Rich (202-564-4963).

**SUBJECT: Justification for Charter Services for the Administrator**

**TO: Kenneth Redden,  
Acting Associate General Counsel,  
Civil Rights and Finance Law Office**

This memorandum requests that the Office of General Counsel approve the use of charter services for the Administrator under the circumstances set forth below. If you have any questions regarding this matter, please contact me at 202-564-3140 or Millan Hupp of my staff at 202-564-1748.

**JUSTIFICATION FOR AIRPLANE CHARTER IN COLORADO**

The Administrator and other EPA employees visited Gold King Mine in Durango, Colorado. The following employees are traveled via charter from Denver to Durango on August 4<sup>th</sup>:

E. Scott Pruitt, Administrator  
Pasquale Perrotta, Protective Security Detail  
Lincoln Ferguson, Senior Advisor to the Administrator  
Amy Graham, Deputy Associate Administrator, OPA

**PURPOSE**

Administrator was scheduled to be at Gold King Mine for a tour and meeting beginning at 11AM. His flight was scheduled to land in Durango (1 hour, 45 min) from Gold King at 9:10AM. The traveling EPA staff did not learn of the delay until arrival at the airport in Denver that morning. The flight continued to be delayed, all the while they searched for alternative options. None became available and with no indication for an immediate depart for the already scheduled commercial flight, the decision was made to pursue a charter plane in order to fulfill the mission.

Therefore, the Administrator departed from Denver, CO on August 4th, 2017 via a charter aircraft to Durango, CO to make a mission critical meeting at Gold King Mine. This meeting involved the Colorado Congressional delegation, the Governor, and key community leaders and stakeholders, and it was essential that the Administrator attend. The Administrator's original commercial flight was delayed beyond the timeframe for the scheduled meeting. Thus only allowing for the option to use a charter aircraft.

**Date:** Friday, August 04, 2017 12:58:12 PM

---

All- I wanted to provide an update on the Administrator's travel situation today. As those of you who are in the office know, the flight the Administrator intended to take from Denver to Durango today was delayed to such a degree that he would miss a mission critical meeting at Gold King Mine. That meeting involved the Colorado Congressional delegation, the Governor, and key community leaders and stakeholders, and it was essential that the Administrator attend. Based upon my conversation with Ryan Jackson, there were no other available flights from Denver to Durango that would have worked with the scheduled meeting. People also looked into flights from airports near to Denver into Durango or other locations near Gold King Mine. While there was one potential alternative identified that had one seat available (and the airline may have gone as far as to reserve that seat in case we determined it would meet the travel needs and requirements), Ryan's understanding from the security detail was that there was not any additional seat for a Special Agent to accompany the Administrator and, therefore, that flight did not meet the travel and security needs. Similarly, there was only one seat available on a plane with the Governor, so without the Governor removing someone else from the trip that was not an option either. After calling an consulting with me, there was a decision to secure a flight with a commercially-available charter service (<http://mayoaviation.com/charter/>). Ryan relayed that the cost was approximately \$5200. Ryan will deliver all of the paperwork to the AO team and us on Monday when they return to the office. At that point will we document the oral consultation and conclusion more formally.

AO folks, I cc'd you so everyone had awareness of where things stand from my perspective. If you want to talk through any aspect of this understanding today, please give me a call.

Thanks, Kevin

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
WASHINGTON, D.C. 20460

OFFICE OF  
INSPECTOR GENERAL

August 28, 2017

**MEMORANDUM**

**SUBJECT:** Project Notification:  
Audit of EPA's Adherence to Policies, Procedures and Oversight Controls  
Pertaining to the Administrator's Travel  
Project No. OA-FY17-0382

**FROM:** John Trefry, Director, Forensic Audits  
Office of Audit

A handwritten signature in black ink, appearing to read "John Trefry".

**TO:** David Bloom, Acting Chief Financial Officer

The Office of Inspector General (OIG) of the U.S. Environmental Protection Agency (EPA) plans to begin preliminary research on the EPA's adherence to policies, procedures and oversight controls pertaining to the Administrator's travel to Oklahoma. This assignment is being initiated based on congressional requests and a hotline complaint, all of which expressed concerns about Administrator Pruitt's travel—primarily his frequent travel to and from his home state of Oklahoma at taxpayer expense.

Our objectives will be to determine the following:

- The frequency, cost and extent of the Administrator's travel that included trips to Oklahoma, through July 31, 2017.
- Whether applicable EPA travel policies and procedures were followed for Administrator Pruitt's travel that included trips to Oklahoma, as well as other EPA staff and security personnel traveling with or in advance of Administrator Pruitt.
- Whether EPA policies and procedures are sufficiently designed to prevent fraud, waste and abuse with the Administrator's travel that included trips to Oklahoma.

To accomplish these objectives, we will review supporting documentation and conduct interviews with management and staff to determine whether the EPA followed applicable policies and practices, and complied with federal requirements. The OIG plans to work with the EPA's Cincinnati Finance Center and the Office of the Chief Financial Officer to obtain needed information. Applicable generally accepted government auditing standards will be used in conducting our work. The anticipated benefits of this project are to improve operational efficiency.

We anticipate starting our work in late August. We will contact the audit coordinator to arrange a mutually agreeable time to discuss our objectives and the purpose of the audit. We would also be particularly interested in any areas of concern that you may have. We will answer any questions you may have about the project process, reporting procedures, methods used to gather and analyze data, and what we should expect of each other during the course of the project. Throughout the project, we will provide updates on a regular basis through a monthly meeting or via email, phone or video conference.

We respectfully note that the OIG is authorized by the Inspector General Act of 1978 to have timely access to personnel and all materials necessary to complete its objectives. We will request your resolution if an agency employee or contractor refuses to provide requested records to the OIG, or otherwise fails to cooperate with the OIG. We may report unresolved access matters to the Administrator and include the incident in the Semiannual Report to Congress.

I will supervise the project, and the Project Manager will be Angela Bennett. Should you or your staff have any questions, please contact me at (202) 566-2474 or [trefry.john@epa.gov](mailto:trefry.john@epa.gov), or Angela Bennett at (404) 562-9844 or [bennett.angela@epa.gov](mailto:bennett.angela@epa.gov).

Point of Contact for the Meeting: Elizabeth Skane

Purpose: To seek input (b) (5)

Role of the Deputy Administrator: Provide a decision on the Agency's path forward for this lawsuit

Background: Kentucky Waterways Alliance and other environmental groups are suing EPA over its November 15, 2013 approval of revisions to KY's chronic selenium criterion, the definition of eutrophication and the Commonwealth's narrative nutrient criterion. Plaintiffs alleged that EPA's approvals were arbitrary and capricious and inconsistent with law because the KY criteria are not protective of the Commonwealth's designated uses, and EPA unlawfully relied upon a commitment letter from KDOW as a basis for approving the criteria. Two additional complaints were later filed related to the Endangered Species Act (ESA): (1) EPA violated Sec 7(a) of the ESA by failing to complete consultation prior to approving KDOW's criteria and (2) EPA is violating Sec. 7(d) by making irreversible and irretrievable commitments of resources prior to completing consultation. Working with DOJ, EPA staff in OW, OGC and R4 have studied the case and presented several options.

EPA Staff (Required): Ken Kopocis (OW), Ellen Gilinsky (OW), Elizabeth (Betsy) Southerland (OW), Betsy Behl (OW), Sara Hisel-McCoy (OW), James Giattina (R4), Joanne Benante (R4), Steven Neugeboren (OGC), Lee Schroer (OGC), Carol Baschon (ORC R4), Craig Higgason (ORC R4)

EPA Staff (Optional): Alexis Wade (OGC), Jim Keating (OW), Corey Buffo (OW), Mario Sengco (OW)

Kentucky Water Quality Standards Litigation

DATE: [Meeting date]  
LOCATION: EX: Administrator's Office  
MEETING TIME: Scheduled meeting time  
FROM: Ken Kopocis

I. REQUESTING OFFICE: Office of Water

II. TIMING

EPA must file a confidential mediation statement with the court by November 7, 2014 that outlines the Agency's position with regards to settlement in this case.

III. PURPOSE

Staff request a decision from the Deputy Administrator (b) (6)

IV. BACKGROUND AND HISTORY

- \* EPA approved KY's revised, fish-tissue based chronic water quality criterion for selenium (Se) and changes to KY's eutrophication definition and narrative nutrient criteria on November 15, 2013.
- \* On November 14, 2013, EPA submitted a Biological Evaluation (BE) to the Fish and Wildlife Service (FWS) that makes a "not likely to adversely affect" (NLAA) findings.
- \* On December 27, 2013, FWS sent a response stating it did not concur with EPA's determination and that incidental take is anticipated with implementation of the criteria.
- \* Plaintiffs filed suit on December 13, 2013, alleging that EPA's approvals were arbitrary and capricious. EPA/DOJ are prepared to defend the Clean Water Act claims.
- \* Plaintiffs filed a second complaint on August 13, 2014, claiming: (1) EPA violated Sec 7(a) of the ESA by failing to complete consultation prior to approving KDOW's criteria and (2) EPA is violating Sec. 7(d) by making irreversible and irretrievable commitments of resources. The ESA claims present high legal risk.

V. KEY ISSUES

1. Litigation Option: DOJ indicates that they can write a brief on the CWA and ESA claims, (b) (5)

2. Settlement Options:

Option 1: (b) (5)

Option 2: (b) (5)

**Subject** Title 42 Hiring Authority  
**Location** WJC-N 3412  
**Show Time As** Busy  
 SCT: Denise Anderson, (b) (6)

Point of Contact for the Meeting: William Ocampo (b) (6) or Jennifer Margolies (b) (6)

Purpose: ORD would like to brief the Deputy Administrator on the background and status of the Agency’s Title 42 special hiring and pay authority and ORD’s plan for this authority in the future.

Role of the Deputy Administrator: To become more familiar with this special hiring authority and engage in future discussions on maintaining the Agency’s use of this authority going forward.

Background: In FY 2006, the Agency received special hiring and pay authority under 42 U.S.C. § 209. The authority has enabled the Agency to better compete with private industry, academia, and other federal organizations for critical science expertise. The authority has had a significant impact on the Agency’ ability to deliver quality research in areas such as Computational Toxicology. The original authority allowed the Agency 5 hires per FY from 2006-2011, but has since been expanded to up to 50 on-boards through FY 2015. The Agency currently has language in the FY 2015 and 2016 budget that addresses the 50 cap and the impending 2015 sunset of the authority. (b) (5)

**Location** EEOB - 430  
**Show Time As** Busy  
 Colleagues,

Thank you for your continued work preparing our nation for the impacts of climate change as members of the interagency Council on Climate Preparedness and Resilience. On behalf of my co-chairs, Dr. John Holdren and Lisa Monaco, I hope you will be able to join us at the next Council meeting on Thursday, November 6, 11am-12pm in EEOB 430. An agenda and read-ahead materials will be provided before the meeting, but we're excited to share with you highlights of the recommendations of the State, Local, and Tribal Leaders Task Force on Climate Preparedness and Resilience and discuss how we will move forward with implementing those recommendations. We'll also provide updates on a number of recent developments, including climate adaptation plans, climate preparedness workshops, and progress on the Climate Resilience Toolkit and Climate Data Initiative.

Please provide your RSVP information to David Adams at (b) (6) and (b) (6), or call (b) (6) with questions.

We look forward to another productive meeting.

Purpose: Overview of the process and approvals required for the AFR

Role of the Deputy Administrator: Facilitate the Administrator’s approval and signature

Background: The AFR is due to OMB on 11/14/14. There are several critical documents that the Administrator must sign:

1. Administrator’s letter introduces the AFR, which summarizes EPA’s financial results and includes the agency’s audited financial statements, audit report, and assurance statement.
2. FY14 Annual Assurance Statement & Integrity Act Report is required by FMFIA. The Administrator’s statement provides assurance on the effectiveness of EPA’s internal controls. Routed via decision memo from the CFO through the Deputy Administrator.
3. Management Representation Letter is required as part of the OIG’s financial statement audit. This letter provides assurance that all information contained in EPA’s financial statements is true and accurate. This letter must be signed before OIG can issue the audit report on 11/14/14.

 Call In # (b) (6) / Code (b) (6)

Point of Contact for the Meeting: Ann Campbell, OW, 566-1370

Purpose: To brief the Deputy on the 5 proposals EPA has prepared to submit to the RESTORE Council for consideration for funding under Bucket 2 monies for Gulf restoration.

**Background:**

In July 2012, in response to the Deepwater Horizon oil spill and other environmental challenges in the Gulf Coast region, Congress passed the Resources and Ecosystems Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act (RESTORE Act). The RESTORE Act creates a Gulf Coast Restoration Trust Fund (Trust Fund), outlines a structure for use of the Trust Fund, and establishes the Gulf Coast Ecosystem Restoration Council (Council).

One of the Gulf Coast Ecosystem Restoration Council's (Council) primary responsibilities is to develop a Comprehensive Plan (Plan) to restore the ecosystem and economy of the Gulf Coast region. The Council approved an Initial Comprehensive Plan in August 2013 that outlines overarching goals and objectives for restoration. In the months following approval of the Plan, the Council developed a proposal submission and evaluation process to facilitate the evaluation and selection of projects that will be included on a draft prioritized list of projects and programs, known as the Funded Priorities List (FPL).

The Council opened the project submission window in August and is accepting proposals through November 17. Each Council member may submit up to five (5) proposals to the Council.

 Updating 9/5 for latest assistants list.

Dear All,  
 For ease of your scheduling, I am circulating the attached calendar invite, which will automatically recur the first Friday of each month, so you will know to hold that time for your Deputy Secretary for the PMC meeting. I know that we had a similar calendar hold invitation last year, and hope that this will ease any confusion going forward.  
 Thanks,  
 Julia

This meeting is longer than our previous meetings because it is the opportunity for the full task force to meet before the report is due to the White House. As such it is very important that all task force members attend.

For logistics and clearance to the EEOB, please submit your WAVES in the attached spreadsheet to Donna Coleman (b) (6) <mailto:(b) (6)> or (b) (6) no later than November 17th.

Also, please place holds on your calendars for the following dates and times for the next few Principal level meetings of the task force:

Subject: Ebola Waste Management - On Friday's agenda again for DC  
Importance: High

All,

Waste management was just added to Friday's DC - the meeting will likely take place from 4-5:30. I'm going to submit virtually the identical package as last week since Ebola waste took up about 30 seconds. Nitin/Tim, they will obviously expect an update on the action item from last Friday's SOC on contacting the landfill in VA (and the overall strategy) to free up treatment and disposal facilities.

CDC - I'm going to add a point on the status of 'Interim Guidance for Workers Handling Untreated Sewage from Ebola Cases in the US' (see attached email).

Tim - I'm not going to add anything on the dog waste that was in today's SLB, but that might come up.

Ebola DC Friday November 21, 2014

Draft agenda

1. Health Care System Preparedness Update
2. Outcomes/taskings from today's HSC
3. Medevac Policy Actions
4. Ebola Waste Management
5. Mali Contingency Options -

Subject: call with the Deputy Administrator

Ms. Anderson:

I was hoping to arrange a very brief call with the Deputy Administrator. The purpose of the call is to get his advice on a personnel matter -- the facts of which he is familiar. In his previous capacity, the Deputy Administrator was closely involved in the work of the RESTORE Council and his advice on this issue would be most appreciated. The call would take no more than 10 min (likely less) and I'd be most grateful to arrange the call at his earliest convenience.

Many thanks for your assistance.

Hi Stan,

Our Urban Waters National Training Workshop will be held in Crystal City Dec 2-4 and we've sent speaking invitations to you (copy attached) and the Administrator through the regular channels. This is just a follow up note to encourage you to consider this opportunity to participate. This year there will be a focus on our Urban Waters Federal Partnership work, and we expect to have participants from a good number of our partner agencies attending, along with our regional coordinators and partnership community federal ambassadors. This is a great opportunity to interact with folks who are working to build successful partnerships supporting communities in their work to revitalize their waters and their neighborhoods. If you or the Administrator can participate, it will certainly be a big boost for these folks. We've suggested a number of times, but we can be flexible to accommodate your schedule.

Thanks for considering this.

Mike

Call In # (b) (6) / Code (b) (6)

Point of Contact for the Meeting: Julia Burch (b) (6) Maher Budeir (b) (6) or John Hall (b) (6)

Purpose: To discuss OAR's overall FY 2014 performance and progress towards achieving the Agency's annual goals and long term goals in the Strategic Plan.

Role of the Deputy Administrator: Target audience. The DA will provide direction and feedback on program performance to program and lead region senior managers (AA/RA/DAA/DRA).

Background: The DA holds these meetings twice a year with the program and lead region senior managers for each goal to review performance and progress towards the agencies strategic plan goals and objectives. The FY 2014 end-of-year discussions will focus on FY2014 performance and progress achieved this year towards long term objectives, which includes a review of FY 2014 results, including Priority Goals, and implications on our current approaches, and the outlook for FY2015.

PLEASE NOTE that OCFO prefers to have all the Goal Performance Progress Review meetings November 19-26. If these dates are achievable, OAR prefers November 24 or 25 for this meeting. OAR also asks for an afternoon meeting to accommodate west coast Regions.

Is the meeting urgent and if so, why?: Meetings with the DA, Chief Financial Officer, goal lead Assistant Administrators and other senior leaders provide a forum to discuss and improve programmatic performance. Quarterly in person reviews of progress on priority goals are required under of the Government Performance and Results Modernization Act. In addition, we are expected to include performance results discussed at this meeting in the FY2014 Annual Performance Report, which will accompany the Congressional Justification in February.

Point of Contact for the Meeting: Erika Farris <(b) (6)>  
<mailto:(b) (6)> <(b) (6)>  
SCT: Elena Richardson

Purpose: To provide the Acting Deputy Administrator with information about the reissuance of about the MSGP prior to its transmittal to the Office of Management and Budget (OMB) for inter-agency review.

Role of the Deputy Administrator: To approve its transmittal to OMB.

Background: The MSGP covers stormwater discharges from industrial activities in areas of the country where the EPA is the NPDES permitting authority. The current permit expired in September 2013. The final reissued permit has completed Final Agency Review (FAR) and is with the Office of Policy for transmittal to OMB for inter-agency review.

Is the meeting urgent and if so, why? Yes, the meeting is urgent. OWM would like to get the final permit to OMB as soon as possible to replace the expired permit. Until a new permit is issued, operators of new industrial facilities are not able to obtain stormwater permit coverage (however, they are currently able to operate under a “no action assurance” memo issued by OECA).

 Updating 9/5 for latest assistants list.

Dear All,  
 For ease of your scheduling, I am circulating the attached calendar invite, which will automatically recur the first Friday of each month, so you will know to hold that time for your Deputy Secretary for the PMC meeting. I know that we had a similar calendar hold invitation last year, and hope that this will ease any confusion going forward.  
 Thanks,

Hi!  
Did call with Rich today and he shared more on what they'd like our participation in the Mayors Water Summit to look like. Note the

following changes in plans and I will have to re-juggle the calendar holds a bit and release Peter Grevatt since he is not participating now. And they will not need an EPA speaker on WOTUS or Perchlorates. All Affordability focus will be on December 4. Panels on Dec. 5 features only 1 EPA Panel Speaker: Chris Kloss on Green Infrastructure. And it features Stan Meiburg as the Keynote Luncheon Speaker.

December 4: Meeting with Regional Administrators:

- Proposed Brown Bag Lunch (Informal) at USCM headquarters. Carolyn (NLC); Julie (NACo) will participate. See details below. They'd like Cynthia and Ken to be among the EPA contingent. Those 2 are not needed on Dec. 5. See Below.
- Summit runs from 2 – 5 on this day but no EPA participation.
- Reception: 6 – 8 PM: EPA Invited (Loews Madison Hotel)

December 5: 8 am – 3:00 pm

Morning Panel

Topic: Green Infrastructure

-CH2MH

-Christopher Kloss (EPA)

LUNCHEON: Keynote by Stan Meiburg, Acting Deputy Administrator

Afternoon Panel with the following topics:

- (1) WOTUS: They do not want an EPA Speaker after all. Judy will just report basically on USCM's comments and engage some q&a from the mayors. One other person might speak but not a federal agency person. [No EPA Speaker]
- (2) Perchlorates: Peter could only call in. They have declined that offer and do not want a substitute. They will deal with the issue with some other presenter who is outside of government. [No EPA Speaker]
- (3) Ammonia: No EPA speaker here either. Speaker TBD

Background:

December 4: USCM Headquarters

  - Associations Represented: USCM (Rich Anderson; Judy Sheahan); NLC (Carolyn Berndt); NACo (Julie Ufner) [WILL CAROLYN AND JULIE BRING ANY LOCAL OFFICIALS REPRESENTING THEIR MEMBERSHIPS? – awaiting answer on this]
  - EPA Staff: Mark Rupp; Cynthia Giles; Ken Kopocis; Deborah Nagle; Andrew Sawyers; Mark Pollins
  - Regional Administrators: (1) Curt Spalding; (2) Judith Enck; (3) Shawn Garvin; (5) Susan Headman
  - Format: Informal Roundtable Discussion/Dialogue; Scoping of How to Roll Out EPA's latest "Affordability Framework."
  - Note: (1) Mayor Berger expected to discuss negotiated settlement with Region V

Thanks Mark! Just as background for Denise and Amir, I’ve attached a roster of Mayors Water Council member mayors. The Summit – under the sponsorship of USCM’s Mayors Water Council, will attract about 20 mayors but a total of 30 cities will be represented (“others” will be sitting in for some cities).

As noted in today’s conference call with USCM staff, Stan may use this opportunity to discuss any number of EPA’s Priorities, including Climate Change, 111(d) and others of his choosing. And of course the mayors are interested in Affordability, Integrated Planning, WIFIA, and WRDA.

Thanks again and thanks to Denise and Amir!

Denise: Members of the U.S. Conference of Mayors (USCM) will be in town Dec. 4-5 to hold a "Water Summit." They would like Stan to give a keynote address the afternoon of Friday, December 5 – and I recommend he do. Probably consume the 12-2 timeframe for lunching and speaking. The meeting will be held at the Loews Madison Hotel at 14/K.

Purpose: To discuss OECA's overall FY 2014 performance and progress towards achieving the Agency's annual goals and long term goals in the Strategic Plan.

Role of the Deputy Administrator: Target audience. The DA will provide direction and feedback on program performance to program and lead region senior managers (AA/RA/DAA/DRA).

Background: The DA holds these meetings twice a year with the program and lead region senior managers for each goal to review performance and progress towards the agencies strategic plan goals and objectives. The FY 2014 end-of-year discussions will focus on FY2014 performance and progress achieved this year towards long term objectives, which includes a review of FY 2014 results, including Priority Goals, and implications on our current approaches, and the outlook for FY2015.

Is the meeting urgent and if so, why?: Meetings with the DA, Chief Financial Officer, goal lead Assistant Administrators and other senior leaders provide a forum to discuss and improve programmatic performance. Quarterly in person reviews of progress on priority goals are required under of the Government Performance and Results Modernization Act. In addition, we are expected to include performance results discussed at this meeting in the FY2014 Annual Performance Report, which will accompany the Congressional Justification in February.

While we hate to see her go, we know that she will  
continue to make a positive impact (b) (6)

(b) (6)

She brought enthusiasm, passion, team spirit and hard work to our leadership team and many of us have personally benefitted from her insight, guidance, perspective, humor and friendship. All of this - and somehow finds time to be an amazing cook!

In order to congratulate her & send her off in style, please join (b) (6) and her friends and former colleagues, at a happy hour celebration on Wednesday, December 10th, 5:30PM-on, at Noelia Italian Kitchen (1319 F. Street, NW).

See you then,  
Gwen & Mathy

Hi Stan, happy New Year! I am now set to meet with Ken from 11-11:45am on Mon Jan 12th. If you happened to have any availability post-11:45, I'd be delighted to come by and say hello.

Justin, I will be around those days. I would certainly encourage you to set up a meeting with Ken, but I would be delighted to see you as well and would be happy to see if we can shoehorn something into the calendar. I have asked for an internal RESTORE meeting with Ken, Ben and Jim Giattina to be put on my calendar but I don't think it's been scheduled yet, but I have accepted the Deputies' meeting on the 14th.

Hope you have had good holidays as well and I look forward to seeing you!

Best wishes,

I hope that you're enjoying the holidays. When we spoke last, you suggested that I let you know when I would next be in DC. I now that I'll be in town from Jan 12-14. In addition to a Restore Deputies meeting on Jan 14th, I'm meeting with all federal agencies on Restore individually. In the past, I have met with Ken and I'm happy to do so again. Regardless, I'd welcome the chance to at least say hello to you.

Happy New Year to you and your family!

Stan Meiburg

Acting Deputy Administrator

US Environmental Protection Agency (EPA)

1200 Pennsylvania Ave, NW

Washington, DC 20460

Dear Stan,

On behalf of the members of the Suppliers Partnership for the Environment (SP), I would like to extend an invitation to you to participate and make remarks at SP's 1st Quarter Membership Meeting of 2015.

The meeting will take place on January 15, 2015 from 9:00am – 2:00pm EST at the GM Learning Center located at 300 Renaissance Center, Detroit, MI in conjunction with the 2015 North American International Auto Show. We would welcome you to meet with our members from across the automotive supply chain, and share your remarks on EPA's priorities and current and emerging efforts of importance to stakeholders in the auto sector from 10:00am – 10:30am EST. We anticipate the participation of 100 automotive supply chain leaders in the meeting.

The Suppliers Partnership for the Environment (SP) is an innovative partnership between automobile original equipment manufacturers

and their suppliers. SP has worked constructively and collaboratively with EPA's Office of Chemical Safety and Pollution Prevention (OCSP) since the organization's formation, including Matt Bogoshian and Tom Murray.

If you are able to participate in the January 15 SP meeting, we would also like to provide the opportunity to arrange for a guided tour of the North American International Auto Show with representatives from SP member companies – including GM, Ford and Chrysler –if your schedule allows during the visit.

A list of SP's member companies is attached and more information about SP may be found on our web site at [www.supplierspartnership.org](http://www.supplierspartnership.org) <<http://www.supplierspartnership.org/>> .

If you have any questions please feel free to contact me at (b) (6) or by e-mail at (b) (6) <[\(b\) \(6\)](mailto:(b) (6))> .

Sincerely,

Steve Hellem  
 Executive Director

E-Gov team, please forward invite to relevant B-side Desk officers.

Dear Colleagues:

As discussed in the Dec. 5 PMC meeting, the President’s FY16 budget will help each agency establish a Digital Service team. These teams will be comprised of engineers, designers, and product managers who will be tasked with improving the most important services provided by each agency. More information about these teams are enclosed in the attached presentation, which was also part of the 12/5 PMC materials.

To kick off this effort, we would like to schedule an introductory meeting with you and any technical leaders at your agency who will be part of planning for these teams. We’ll aim to do these meetings in the beginning of January, after the holiday season. The meetings will cover:

- \* The function and role of the Digital Service teams
- \* Identification of 3-4 important services your agency’s Digital Service team is likely to focus on (please come prepared with some ideas of what you believe this focus services should be)
- \* Mapping out the steps to take in FY15 for preparing for these teams (hiring authorities, recruiting a leader, identifying specific projects, identifying where in the org chart the Digital Service team will sit), and describing the support my office will plan to provide your agency (recruiting, hiring, technical collaboration)
- \* The possibility of beginning to build your Digital Service team in 2015

My assistant Julia Reed (cc’d here; (b) (6) ) will work with your office to schedule this meeting at a mutually convenient time in the coming month. A few of you may have already heard from our E-Gov team on meeting dates, so we’ll strive to keep those where possible.

I look forward to working together on this important initiative, and thank you for your continued hard work on behalf of our committee. Please let me know if you have any questions. Your team can also reach out to my Senior Advisor, Leandra English (b) (6) ) for follow up conversations.

As a reminder, there will be no PMC on January 2nd, so everyone can enjoy hopefully one extra day of rest. Wish you a very happy and safe holiday season.

Best,  
Beth

Point of Contact for the Meeting: Jacqueline Poole (b) (6)  
Sct: Elena Richardson

Purpose: This is a soft request for the Deputy to drop by OP's next Quarterly All Hands meeting to

Role of the Deputy Administrator: The role of the Deputy is to be introduced by Joel Beauvais and spend 5 minutes sharing a bit of information about himself and spending 5 minutes taking questions from the audience. Advanced material such as an organizational chart and other background materials will be provided as well as remarks if desired.

Background: OP holds All Hands meetings on a quarterly basis as a forum to exchange information and be familiar with one another and our work products. The Administrator dropped by the last OP Quarterly meeting. If it fits in the schedule, we welcome the Deputy to join us. If the timing doesn't work, we will invite him to the next meeting.

Is the meeting urgent and if so, why?: The Deputy's attendance is most welcome but not at all urgent; we will invite him to the next meeting if this does not fit into his schedule.

Stan is supposed to sign for epa at 2-3 pm. Think Rachel is running that trap but no confirmation yet. 9 auto groups and bob Martineau coming up to sign for ECOS!

Great.

Is that date/timeframe something you'd like EPA leadership at?  
Should I start looking at calendars?

I just want to make sure you are aware of what we are up to - how exciting this is - how the agency can make the best splash possible with a major nonregulatory industry state agency initiative

I would love to have a quick (or not so quick) call on copper in break pads.

I actually have a big chunk of time between 2-4 tomorrow if anything in there works...or look to next week.

Dave, I hope you had a good holiday season as well, and that the New Year finds you energized and healthy!

I think I am open on the morning of the 22nd and would be delighted to see you again. I'll ask Elena and Denise to check to be sure, but I would enjoy the opportunity.

With best wishes,

Stan

 Subject: Happy New Year

Hi Stan,

I hope your holidays were relaxing and enjoyable, and that you are

having lots of fun in DC:)

Speaking of fun, any chance I could link up with you for breakfast on the morning of Thursday January 22 at the Capitol Hilton with the Chair of our organization (John Dickert, Mayor of Racine, WI) to talk about nutrients, algal blooms, and microcystin in the Great Lakes, and Lake Erie specifically. Attached is a little summary of what we are trying to accomplish, and a copy of a letter we wrote to the President and Prime Minister about this. If that time and place does not work, do you have anything available at other times on Jan 22 or Jan 21 at EPA HQ or some other mutually convenient place?

Thanks for considering this, Stan. It would be good to see you, aside from the business part. The comradery we had as DRAs was one of the real highlights of my time at EPA.

Dave

 Subject: Invite to Gina McCarthy

Dear Mark and Arnita,  
 Here is the official invitation to the EPA Administrator to speak at the Environment Committee meeting. Could someone please send it or let me know who to send it to in her office? Please know that I did ask for

her to speak at one of the larger sessions but the leadership Mayors have requested that key Cabinet level folks be in the smaller sessions in order to promote interaction and dialogue between the Mayors and the various agencies. Sorry about that.

Please let me know if her schedule would allow her to participate.  
Thank you so much.  
Sincerely,  
Judy

Subject: Request to meet on Friday

Mark:

As a quick introduction, I lead a cluster in Milwaukee which includes over 150 water technology businesses; such as A. O. Smith, Badger Meter, Rexnord, Pentair, etc; and multiple universities, most notably the University of Wisconsin-Milwaukee's School of Freshwater Sciences. One of our initiatives is the Global Water Center, which is a 98,000 sf water technology research and business accelerator. This past October EPA Administrator McCarthy visited the Center and, as described in the attached article, she said "'Milwaukee gets it' when it comes to clean water."

My purpose in contacting you is with respect to the Water Finance Center that Vice President Biden and Administrator McCarthy announced on Friday. I will be in DC this coming Friday meeting with officials from the White House's Office of Public Engagement and National Economic Council with respect to some of our other work in our water technology cluster. If you are available sometime between 1:00-2:15, I would be interested in meeting with you for a few minutes to get a sense of where the Water Finance Center stands and to provide you an overview of our cluster.

Over the last few years, Sen. Baldwin has become a very strong and active proponent for our water technology cluster. In fact, I was honored that she invited me to be her guest for tomorrow night's SOTU. I suspect that she would also have interest in the Water Finance Center and making sure that it is successfully implemented. Taking advantage of my time in DC I will also be meeting this week with officials from the White House Office of Science and Technology Policy on our proposed micro water/wastewater/energy system.

Hopefully Friday will work on your calendar for an in-person meeting.

Thank you.

Dean

Stan,

The Mississippi team is bringing the new MS DEQ Director, Gary Rikard, to DC for some meetings later this month and is interested in a short visit with you to do an introduction.

They're looking at Jan 26 or 27. Maybe an early breakfast or lunch if you are in town and have availability? They're happy to work through your scheduler but asked me to snake check it first to see if you had any objections/issues to meeting with Gary.

 NOTE: Ron and Donnell – PowerPoint presentation will be presented.

SCt: Denise Anderson, (b) (6)  
 Point of Contact for the Meeting: Lisa Jones-Parra

Purpose: To provide the Acting Deputy Administrator with a demo of the new format

Role of the Deputy Administrator: To become better informed and learn about progress that has been made using innovative visualizations and analytics tools.

Background: The 2013 TRI National Analysis is scheduled for release at

10:00 a.m. on January 14th. The Analysis has new features in the new web-enabled format that will allow users (internal and external to EPA) to perform some of their own data comparisons. This is a big change from the previously static report. OEI scheduled a demo with AAs, RAs, DAAs and DRAs prior to its release and would now like to demonstrate the new capabilities to Acting Deputy Administrator.

Last possible date for the meeting: Would prefer for this meeting to be either the week of January 20th or the week of January 26th (if at all possible)
