

## **Email from Allie Tempus to Stephanie Marquis, October 10**

Hi Stephanie,

Just to make sure I'm clear on the details:

- 1) The new Commitment to Academic Freedom and Freedom of Expression policy was approved by the Board as an update to the UWS Code 17 -- correct? Will it be added to the existing UWS Code 17 language or will it replace that language?
  
- 2) The release says the sanctions in the new policy will not go into effect until it's gone through Code 17 has been updated through the normal administrative process. What is the normal process, and when will it happen? Does it the policy require any further review and approval by any other office or a student body?
  
- 3) How does the UW System plan to enforce instances of speech disruptions by large groups? How will it track the number of offenses of this policy for each student?

Thank you,  
Allie
