**Subject:** [Ext] RE: FOIA Request - Aggregating into 45716 (Your previous request)

Good Morning Ms. Bragg,

Upon reviewing this request, we noticed that it is nearly identical to the request you sent last year, October 2016, that we have been working on under NIH FOIA Case Number 45716.

Considering this, we will be aggregating this new request within the 45716 case, and sending out an additional search to the NIH Ethics office as specified in Items 2 and 3 of your new request.

The remaining portions of records within 45716 that we have collected are in the queue to be reviewed for final determination of releasability. Please keep in mind that review time is much longer than normal as this office is still very short staffed due to lingering effects of the Federal Government hiring freeze.

Please let us know if you have any questions.

Thank you.
