These documents do not appear to be publicly available anywhere else.

As the FOIA requires, please release all reasonably segregable nonexempt portions of documents.

In order to help to determine my status to assess fees, this request is made by a non-profit entity for the sole purpose of making the documents and information freely available to the public, not for commercial use. I intend to share these records publicly for no charge on my blog. To the extent that you conclude a fee would be applicable, I request a waiver of all fees for this request, because the request for a non-commercial purpose.

Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.

If you deny my request for a fee waiver, please inform me before processing my request. If you have any questions regarding this request, please contact me at this e-mail address. I look forward to receiving your response within the twenty

We haven't received responses to any of the FOIA requests we filed from July 21 to July 25. We haven't received any acknowledgment or receipt notices, any notification the agency is planning to take more than the statutory 20 days to respond, or the documents themselves. What else do we need to do to get the DOJ's JMD to respond to our requests?

Thank you.
