Dear Ms. McClurkin,

I hope that you are doing well and settling back into the office. I just tried to reach you at your office, but left a message as you were unavailable. Please provide me with a status of the attached request that was submitted on August 30, as indicated below. In addition to this request, we advised you on Oct. 10 of our request for the Record of Decision by USFWS for Suncoast Parkway 2 permit and Section 106 Review, which are required to be kept under "**282 FW 5 Compiling a Decision File and an Administrative Record.**"

If the fulfillment of our request can be expediated as to certain documents, please produced whatever documents are available at the time being. We are particularly interested in obtaining the following:

- (1) Copy of the biological assessment by FWS biologists referenced in Kevin Chapman's May 03, 2016 to Timothy Parsons, PhD. and director of DHR.
- (2) Any biological assessment performed, reviewed and/or approved by FWS supporting FWS Permit TE97201B-0.
- (3) Record of Decision by USFWS for Suncoast Parkway 2 permit and Section 106 Review

Many thanks,
