Jay,

I agree that we have a placeholder and then we can provide an electronic copy and a hard copy to be distributed the day of the meeting. This will result in the WQC having the most up to date information.

I think that is a good idea and will touch base with Sheila. Our response and that of the DHHS is evolving every day so we may need to submit something fairly late for the agenda. I'd suggest we consider a place holder on the agenda without specifics so that we can tailor of presentation to include the latest information.

Sheila,

Thoughts?

Jay, Linda, and Adrienne,

Should we have a brief introduction on the WQC on the Cape Fear River GenX issue? I do not expect to have a full presentation. Maybe that follows in September. I am not sure how much press coverage the rest of the state had. It was/still is front page every day in Wilmington. The WQC should be made aware of the issue and next steps.

Thanks!

Julie Wilsey
