Good Afternoon Ms. Nelson,

I spoke with my supervisor right after my last message and received approval to partial releases. I immediately sent my proposed first portion release for review. I am still pending their response. I have been in email contact with the reviewing official, but they have yet to provide any estimates on when the first portion will be reviewed. I will reach out to them again today. I apologize for the delay. As soon as they approve the release, I will upload to the FOIAonline system and notify you as well.

Thank you,
Miranda Oyler
