The artful crafting of the Consent Decision (Sep. 26, 2017) conveniently allows Trainer BOYZ Mr. Bill Callaway, and owners Mr. Keith and Ms. Elaine Rosbury, to have their cake and eat it, too. They hardly miss any of the 2017 and 2018 show seasons.

Especially concerning is the part in the Consent Decision how the Rosburys get to walk on any other possible Horse Protection Act violations up to Sep. 4, 2017. What, if anything, got swept under the rug on that one?

Sadly, **"Gen's Black Magic"** has a history of allegedly being **SORED** while owned by Mr. Keith and Ms. Elaine Rosbury.

Mr

TN

Dear

Thanks for getting in touch with me and letting me know what's on your mind regarding harmful training practices in the walking horse industry.

In baseball, if a player illegally uses steroids, you punish the player – you don't shut down America's national pastime. With Tennessee Walking Horse shows, when trainers, owners or riders illegally sore a horse, we should find a more effective way to punish and stop them – not shut down one of Tennessee's most treasured traditions.

Yet, just one week before President Obama left office, the U.S. Department of Agriculture (USDA) announced a final rule, the "Horse Protection: Licensing of Designated Qualified Persons and Other Amendments," that could have had a significant negative effect on the Tennessee Walking Horse industry and the small businesses and communities benefiting from the industry. The final rule required USDA to assume responsibility for training, screening and licensing horse inspectors and banned the use of all action devices.

However, on January 20, 2017, President Trump issued a freeze on pending regulations, which was much like previous presidential transitions including those of Presidents Reagan, Clinton, Bush, and Obama. The memorandum directed all unpublished rules be withdrawn and sent back to the agencies for review. Since this rule was not published in the Federal Register, it has been sent back to USDA.

I support wiping out the contemptible and illegal practice of horse soring, not wiping out the century old tradition of showing Tennessee Walking Horses as the proposed rule could do. I, along with other members of Congress, introduced legislation last Congress that would end horse soring. I hope the new Secretary of Agriculture will work with Congress to enact legislation that punishes trainers, owners and riders who abuse horses while preserving the opportunity for law abiding horse enthusiasts to participate in competitions that are the basis of the Tennessee Walking Horse industry.

I'm grateful you took the time to voice your concerns about the protection of the Tennessee Walking Horse. I'll be sure to consider your comments as these issues are discussed and debated in Washington and in Tennessee.

Sincerely,

SEPTEMBER 11, 2017

WASHINGTON, Sept. 15, 2017 /PRNewswire-USNewswire/ -- The Citizens Campaign Against "Big Lick" Animal Cruelty (CCABLAC) delivered CCABLAC's "Wrong Side Of History" Award to U. S. Senator Lamar Alexander (R-TN) for supporting systemic institutionalized Animal Cruelty to Tennessee Walking Horses.

Presentation: ["Wrong Side Of History" Award](#)

CCABLAC spokesperson Clant M. Seay said Senator Lamar Alexander is sadly doing the bidding of wealthy supporters who have no problems with the "Big Lick" Animal Cruelty to Tennessee Walking Horses.

Seay said the owner of "Gen's Black Maverick", World Grand Champion at the 2017 Celebration, Mr. Keith Rosbury, gave Senator Lamar Alexander a [\\$2,000.00 campaign contribution](#) during Alexander's 2014 re-election campaign.

Mr. Rosbury's horse "Gen's Black Maverick" won the Celebration on September 2, 2017, and then immediately became involved in an Animal Cruelty controversy when Mr. Rosbury's Trainer, Mr. Bill Callaway, within 24 hours started serving an eight month Federal Suspension for allegedly SORING a Tennessee Walking Horse at the 2016 Celebration.

Nephew Eugene says that when the **Trainer, BOYZ Mr. Bill Callaway**, and the **Owners of "Gen's Black Maverick", Mr. Keith and Ms. Elaine Rosbury**, are **ALL** serving Federal Suspensions for the alleged **SORING** of poor victim, 2017 World Grand Champion – **"Gen's Black Maverick"** – it's all one needs to conclude that the "Big Lick" Animal Cruelty Racket appears to be rotten to the core.

it's time for America and the World, led by the **"WE, The People" Citizens Campaign Against "Big Lick" Animal Cruelty (CCABLAC)**, to demand an end to the "Big Lick" Animal Cruelty, once and for all.

Nephew Eugene says that **U. S. Senator Lamar Alexander (R-TN)** bad needs to get on the **“Right Side Of History”** on this issue. For sure, it is a stain upon his legacy.
